Celebrating
Faculty Creative Works
2013
Welcome

The University of Texas at Arlington Libraries and the Office of the Provost are pleased to host the sixth Celebration of Faculty Creative Works, an exhibition showcasing the books, art, music, media, patents, conference activities, and journal contributions made by UT Arlington faculty in 2013.

Expanding the boundaries of knowledge is the stock-in-trade of a research university. We want to acknowledge the productivity and distinction of our faculty and honor the depth and breadth of scholarship and creativity that takes place on campus. We congratulate the individuals represented in these pages and in the exhibit. The work is diverse, compelling, and groundbreaking—things for which all of us, as UT Arlington Mavericks, can be proud.

Ronald L. Elsenbaumer, Provost and Vice President for Academic Affairs
