TO: The Educator Addressed
SUBJECT: The Teacher Certification Handbook

The attached materials constitute Change 7 to the Teacher Certification Handbook (formerly Bulletin 691203, Guidelines for School Personnel: Certification, Allocations, and Records, "Section 1--Certification"). The changes reflect additions and revisions resulting from State Board of Education actions, administrative decisions, and updated administrative procedures which have become effective since the 1984 edition.

This handbook consists of a complete revision of Section 1--Certification. We suggest that you discard the 1984 edition of Section 1, as it is no longer a current document.

The new Teacher Certification Handbook is divided and paginated by sections for easy reference. The document also includes many quick-reference charts for areas such as vocational education, appropriate examination requirements for specific certification areas, and a procedural guide for activating teaching permits and processing certificate requests based on out-of-state credentials.

It is essential that the appropriate personnel in each school district, education service center, and college/university approved for teacher education have direct access to this document. If you need additional copies of the Teacher Certification Handbook, please send your request to the Texas Education Agency, Publications Distribution Office.

Sincerely,

W. N. Kirby
Commissioner of Education

Preface

The *Teacher Certification Handbook* is a compilation of materials relative to Texas teacher certification requirements and procedures. Information included in the handbook has been derived from the Texas Education Code (Bulletin 750), policies of the State Board of Education, and administrative procedures implemented by the Commissioner of Education, as well as operational guidelines of the Texas Education Agency.

The new *Teacher Certification Handbook* is divided and paginated by sections for easy reference. The document also includes many quick-reference charts for areas such as vocational education, appropriate examination requirements for specific certification areas, and a procedural guide for activating teaching permits and processing certificate requests based on out-of-state credentials.

As the needs of the children of Texas change, new teacher education programs will be developed. Certification standards will continually evolve to help insure that each child has the opportunity to receive instruction and guidance from personnel who are professionally competent.

Section I

State Governance

State Governance

1. **State Board of Education**

The State Board of Education is composed of one member elected from each of the 15 State Board of Education Districts. With the advice and assistance of the commissioner of education, the State Board of Education prescribes rules and regulations for the certification of teachers and for granting certificates for teaching in the public schools of this state.

2. **Commissioner of Education**

The State Board of Education appoints the commissioner of education. The commissioner, in turn, supervises the administration of the Texas Education Agency and serves as the executive officer of the State Board of Education. As executive officer, the commissioner carries out board policies and enforces its rules and regulations.

3. **Commission on Standards for the Teaching Profession**

A separate advisory body, the Commission on Standards for the Teaching Profession works with the commissioner of education to assist the State Board of Education in its efforts to improve the certification process. Members are appointed by the board upon recommendation of the commissioner. The commission is representative of the education profession, consisting of teachers, school administrators, and representatives of higher education.

The Commission on Standards for the Teaching Profession is subject to the Texas Sunset Act; and unless continued in existence by that act, the commission will be abolished effective September 1, 1989.

Section II

**Application Procedures
for Texas Teacher
Certificates**

Application Procedures for Texas Teacher Certificates

1. Texas Graduates and Non-Certified Out-Of-State Applicants

Applicants who are degreed but not certified by another state department of education or those with credentials that do not meet Texas standards must contact the teacher certification officer at a Texas senior college approved for teacher education. The certification officer will evaluate transcripts and specify any course work required in order to be recommended by the college for teacher certification.

If applying for initial or additional Texas certification, the recommending Texas college or university should submit the following to the Division of Teacher Certification after the applicant has completed all course, degree, and testing requirements:

- (a) A completed application (form TCER-009) which may be obtained from colleges and universities approved for teacher education, central offices of local school districts, and the Texas Education Agency.
- (b) The appropriate fee in the form of a cashier's check or money order payable to the Texas Education Agency (see page II-5).
- (c) A college recommendation (form TCER-008) signed by the authorized college official.

2. Certified Out-Of-State Applicants

Applicants who hold a standard out-of-state certificate may apply for a Texas One-Year Certificate. They should submit the following materials (together if possible) to the Division of Teacher Certification.

- (a) The completed application (form TCER-009) which may be obtained from Texas colleges and universities approved for teacher education, central offices of local school districts, and the Texas Education Agency.
- (b) Appropriate fee in the form of a cashier's check or money order payable to the Texas Education Agency for review of credentials. If eligible for certification, an additional issuance fee will be required (see page II-5).
- (c) Copies (both front and back) of all standard out-of-state certificates.
- (d) Official transcripts of all college credits showing the appropriate degree(s) conferred (official transcripts are those bearing both the registrar's signature and the official college seal)

OR

a superintendent or the authorized representative of a Texas public school district may verify a true copy of an applicant's official transcript(s) on file in the district's office. The following statement should appear on each transcript copy:

"I verify that this is a true copy of an official transcript on file in _____ district office."

This statement must be signed by the superintendent or authorized representative and properly notarized.

- (e) The completed statement of commitment (form TCER-010).

The Division of Teacher Certification will evaluate transcripts for out-of-state applicants whose initial assignment in a Texas public school is in an area not specifically listed on the out-of-state certificate. In order for this service to be performed, the superintendent must complete the appropriate section on the application form.

When all certification requirements have been completed, including successful performance on the appropriate Examination for the Certification of Educators in Texas (ExCET) tests, the out-of-state certified applicant may be issued a Texas Provisional Certificate, valid for life, by submitting the following materials to the Division of Teacher Certification:

- (a) A completed application (form TCER-009).
- (b) Appropriate fee in the form of a cashier's check or money order payable to the Texas Education Agency (see page II-5).

3. **Alternative Certification Applicants**

Upon successful completion of a one-year internship, satisfactory or better appraisal, and possession of acceptable scores on the appropriate ExCET exam(s), the recommending school district should submit the following to the Division of Teacher Certification:

- (a) The completed application and recommendation for alternative certification (form TCER-031).
- (b) Appropriate fee in the form of a cashier's check or money order made payable to the Texas Education Agency (see page II-5).

4. **Vocational Certification Applicants**

If the applicant has completed an approved vocational education program, the recommending college or university should submit the following to the Division of Teacher Certification:

- (a) A completed application (form TCER-009).
- (b) Appropriate fee in the form of a cashier's check or money order payable to the Texas Education Agency.
- (c) A college recommendation (form TCER-008) signed by the authorized college official.

If the applicant has completed certification requirements based on prior service, the following must be submitted to the Division of Teacher Certification:

- (a) A completed application (form TCER-009).
- (b) Documentation of prior service verified by superintendent or authorized representative.
- (c) Official transcripts of course work completed (as authorized on deficiency plan) or proof of workshop attendance.
- (d) Appropriate fee in the form of a cashier's check or money order payable to the Texas Education Agency (see page II-5).

Proof of satisfactory completion of the State Board of Education requirements for Texas and federal constitutions is required for issuance of vocational education certificates.

All specifications of required numbers of semester hours or required years of experience represent minimum requirements.

5. Teachers Educated Outside the United States

Because of the vast difference in the training and certification of teachers from other countries, the Texas Education Agency does not have the capability to evaluate foreign transcripts. Individuals who have completed their education in a foreign country and who do not hold a standard out-of-state teaching certificate will need to apply directly to a Texas senior college with an approved teacher education program for an evaluation of their credentials.

Individuals who hold a standard out-of-state teaching certificate based on foreign credentials may apply directly to the Division of Teacher Certification for a review of their credentials by submitting the following:

- (a) A completed application (form TCER-009).
- (b) Copies (both front and back) of all standard out-of-state certificates.
- (c) Official transcripts.
- (d) Appropriate fee in the form of a cashier's check or money order payable to the Texas Education Agency (see page II-5).

6. Alien Applicants

Applicants for teacher certification who possess approved legal admission documents, must file the appropriate Statement of Intention to Become a United States Citizen (form TCER-023, TCER-023V, or TCER-023A) with the Division of Teacher Certification. Proof of official documentation issued by the Immigration and Naturalization Service verifying legal admission status must be attached to the form. The type of legal admission document and validity dates must be recorded on page one of the application (form TCER-009).

The following Immigration and Naturalization Service documents are acceptable as evidence of legal admission into the United States:

- (a) The Alien Registration Receipt Card (I-151 or I-551) issued to aliens admitted to the United States for permanent residence;
- (b) The H-1 Visa, J-1 Visa, L-1 Visa, or F-1 Student Visa issued to aliens admitted temporarily for specific purposes and periods of time; or
- (c) The Employment Authorization Card (I-688A) or the Temporary Residence Card (I-688) issued to aliens admitted under the auspices of the Amnesty Program.

The following criteria should be used to determine the appropriate Statement of Intention to Become a United States Citizen form to be submitted:

- (a) Aliens lawfully admitted to the United States for permanent residence must file a form TCER-023 with the Division of Teacher Certification. The Alien Registration Receipt Card (I-151 or I-551) or other official documentation verifying permanent residence status must be attached to form TCER-023.
- (b) Aliens lawfully admitted to the United States on a Visa which authorizes the holder to accept employment as a condition of admission such as the H-1, J-1, or L-1 Visa must file form TCER-023V with the Division of Teacher Certification. Official documentation of acceptable Visa type must be attached to form TCER-023V.

Aliens lawfully admitted to the United States pursuant to an F-1 Student Visa must obtain practical training authorization from the foreign student advisor at the college or university from which they have graduated or are currently enrolled and file form TCER-023V with the Division of Teacher Certification. The Identification Card (I-20) or other official documentation verifying practical training authorization must be attached to form TCER-023V.

- (c) Aliens lawfully admitted to the United States under the auspices of the Amnesty Program, which allows the individuals to hold employment in the United States as a condition of their admission, must file form TCER-023A with the Division of Teacher Certification. The Employment Authorization Card (I-688A) or the Temporary Residence Card (I-688) must be attached to form TCER-023A.

NOTE: According to Title 8, United States Code, Section 1101 and the applicable Federal Regulations, aliens completing the Statement of Intention to Become a United States Citizen form, may be signing an affidavit which is contrary to the provisions under which certain nonimmigrants are admitted to the United States. Therefore, aliens should contact their local Immigration and Naturalization Service office concerning the effect the declarations contained in the affidavit may have on their particular admission status.

An applicant for Texas teacher certification who is not a United States citizen, but possesses acceptable legal admission documents, may be eligible for a temporary certificate valid for a maximum of five years. If the temporarily certified teacher attains citizenship within the five-year period, then the individual will be eligible for continued certification.

If an alien does not attain citizenship within the validity period of the temporary certificate, an appeal for an extension of the temporary certificate may be made to the commissioner of education. The certificate may be extended when the appeal is supported by evidence that the individual is making a good faith effort to obtain citizenship. If an individual's temporary certificate is nearing expiration, and citizenship has not been obtained, the person should contact the Division of Teacher Certification for further extension procedures.

7. Duplicate Certificates, Name Changes, or Corrections on Certificates

If applying for a duplicate of a lost or destroyed certificate, or a name change on a certificate, the applicant should submit the following to the Division of Teacher Certification:

- (a) A completed application (form TCER-009).
- (b) Appropriate fee in the form of a cashier's check or money order payable to the Texas Education Agency (see page II-5).

A duplicate of a Texas teacher certificate may be issued to an individual who has not revalidated the certificate by successful performance on the Texas Examination of Current Administrators and Teachers (TECAT). The duplicate certificate will bear the following statement:

"THIS CERTIFICATE IS INVALID FOR EMPLOYMENT IN TEXAS PUBLIC SCHOOLS. TO REVALIDATE THIS CERTIFICATE, THE HOLDER MUST SUCCESSFULLY COMPLETE THE TEXAS EXAMINATION OF CURRENT ADMINISTRATORS AND TEACHERS (TECAT)."

If a typographical error exists in the name or certificate number, return both copies of the certificate to the Division of Teacher Certification with a written description of the error. Correction of typographical errors will be made at no expense to the applicant.

If an error exists in the certification area(s) listed on the certificate, the applicant should contact the recommending college/university or school district. Correction of errors in the certification area(s) requires the return of both copies of the incorrect certificate with a written description of the error and the submission of a corrected recommendation from the appropriate official and an additional fee.

8. Schedule of Certification Fees

(a) An applicant shall pay whichever fee from the following list is appropriate for the type of service requested:

- (1) Review of credentials by the Texas Education Agency (non-refundable and not applicable toward issuance fee) \$40.00
- (2) Issuance of initial certificates based on out-of-state credentials \$20.00
- (3) Issuance of Provisional Certificate, added specialization, teaching field, or endorsement/delivery system based on college recommendation, school district recommendation (alternative certification) or Texas Education Agency authorization; name change, duplicate, extension or conversion \$20.00
- (4) Issuance of Professional Certificate \$30.00
- (5) Issuance of Paraprofessional Certificate \$15.00
- (6) All permits processed by the Division of Teacher Certification (payable by the employing school district) \$40.00

(b) Fees, other than fees paid by school districts and colleges or universities, must be paid by cashier's check or money order.

(c) School districts and colleges or universities wishing to submit a single payment covering certificates/permits for several individuals must use the following procedure:

- (1) Include an itemized list of the certifications requested, with the following information for each applicant:
 - (A) full name;
 - (B) social security number;
 - (C) specific request for service(s) (i.e. evaluation, certificate, permit); and
 - (D) amount of fee submitted for each applicant.
- (2) Indicate the total amount submitted to cover all items on the list.
- (3) In cases where the total fee amount submitted does not match the service(s) requested, the applications will not be processed.
- (4) Attach the school district or college/university check to the itemized list and other materials being submitted.

9. Effective Dates of Certificates

(a) The issuance date of certificates authorized by the Division of Teacher Certification based on completion of an agency-prepared deficiency plan will be the date on which the application was signed by the applicant and properly notarized; however, the date of issuance will not precede the completion date of all certification requirements.

(b) The issuance date of certificates recommended by Texas colleges or universities will be the date on which all credits and examination requirements were completed for certification.

(c) The issuance date of all certificates authorized by the agency can be retroactive for no more than sixty days prior to receipt of the application by the Division of Teacher Certification, provided that all requirements were completed on or before that date.

(d) A certificate is considered valid for the entire month in which it is issued; however, the validity of a certificate may not precede the completion date of all degree and certificate requirements.

Section III

**Suggestions for
Expediting Services**

Suggestions for Expediting Services

1. Inquiries About an Individual's Certification Status

- (a) Give complete name (First, Middle or Maiden, Last, and any changes in last name).
- (b) Always include social security number and old certificate number, if applicable.
- (c) Specify date(s) on which materials were submitted.

2. Requests for Transcripts to be Sent to the Division of Teacher Certification

- (a) Official transcripts must bear the official college seal, registrar's signature, degree and date conferred.
- (b) A superintendent or authorized representative of a Texas public school district may sign and have notarized a true copy of the official transcripts on file in the local office.
- (c) Include social security number and current legal name.

3. Requests for Review of Credentials

- (a) The Division of Teacher Certification only evaluates transcripts for: (1) applicants seeking certification under the law in effect prior to September 1, 1955; (2) applicants seeking certification in areas* where there are either no approved programs or only a limited number of such programs; and (3) applicants holding standard certificates from other states.
- (b) Only official transcripts bearing the official college seal, registrar's signature, and degree and date conferred or copies of transcripts verified by the superintendent or authorized representative will be evaluated.
- (c) Verification of appropriate course content must be submitted directly to the Division of Teacher Certification. The letter should be written on official letterhead stationery and signed by the department head, dean, registrar, or certification officer of the institution at which the course work was completed.
- (d) The only credits and degrees acceptable for certification are those earned and conferred by institutions of higher education which were accredited or otherwise approved at such time by a state department of education, a recognized governmental organization, or a recognized regional accrediting organization.

* These areas are: special education counselor, special education supervisor, special education visiting teacher, early childhood education for handicapped children, English as a second language, life-earth middle school science, physical science, associate school psychologist, and school psychologist.

4. Requests to Substitute Experience for Student Teaching

- (a) An individual may be considered to have met the six semester hour requirement in student teaching by (1) satisfactory completion of the student teaching course, or (2) teaching successfully for two or more years in an accredited school system in the area and at the level for which certification is sought, provided the individual has completed at least 18 semester hours of professional education. Acceptable experience may be verified on a teacher service record by the superintendent or authorized representative of the employing school district.**

- (b) An applicant must have permission from the recommending institution for the substitution of teaching experience for student teaching.**

Section IV
Examination
Requirements for
Texas Certification

Examination Requirements for Texas Certification

In response to the mandate of the Texas Legislature, the State Board of Education has approved and established three categories of test requirements for Texas teachers. These three categories consist of a basic skills test required for admission to teacher education programs, appropriate competency tests to be completed prior to certification [Examination(s) for the Certification of Educators in Texas (ExCET)], and a test of reading and writing skills as a condition for continued certification [Texas Examination of Current Administrators and Teachers (TECAT)].

1. Basic Skills Test

- (a) This test is required for admission to teacher education programs:
 - (1) Students may enroll for no more than 6 semester hours of professional education course work prior to passing this test.
 - (2) This test is not required of persons with previous certification or those who are pursuing vocational certification based on skill and experience.
- (b) Beginning in spring 1989, the Texas Academic Skills Program (TASP) Test will replace the Pre-Professional Skills Test (PPST) as the instrument used to measure competency in basic skills. PPST scores may be used for teacher education and certification purposes until May 1, 1991. Until then, individuals may satisfy the basic skills testing requirement using either the PPST, TASP, or a combination of passing scores from either test.

2. Examination for the Certification of Educators in Texas (ExCET)

- (a) Teachers seeking initial certification based on completion of an approved teacher education program are required to complete an ExCET test at the appropriate level of professional development **and** an ExCET test for each content specialization area to be indicated on the certificate.
- (b) Teachers holding valid Texas certificates seeking additional areas of certification are **not** required to complete a professional development test, but must complete the appropriate content specialization test for each certification area to be indicated on the certificate.
- (c) Teachers seeking initial Texas certification based on out-of-state credentials are required to complete an ExCET test at the appropriate level of professional development **and** an ExCET test for each content specialization area to be indicated on the certificate. The applicant shall not be required to complete the content specialization ExCET test in an area for which no Texas certificate is sought.

Exceptions: Teachers seeking Texas certification in a professional service area based on an out-of-state credential which required a basic classroom certificate as a prerequisite may be certified only in the professional service area by passing the appropriate professional certificate ExCET test.

Teachers seeking certification in an endorsement area must complete ExCET requirements for a basic classroom certificate unless the out-of-state credential is a special subject certificate which is valid for assignment only to that area in the other state.

- (d) Teachers seeking certification based on completion of the agency approved Alternative Certification programs are required to complete the content specialization ExCET test for each cer-

tification area to be indicated on the certificate. The applicant is **not** required to complete an ExCET test in a professional development area.

- (e) Teachers seeking initial certification based on post-baccalaureate programs are required to complete an ExCET test at the appropriate level of professional development and ExCET test for each content specialization area to be indicated on the certificate.

(A list of the ExCET tests and corresponding test codes appear on the following page.)

3. Texas Examination of Current Administrators and Teachers (TECAT)

- (a) All teachers certified in Texas prior to February 1, 1986, must pass the TECAT to revalidate their certification for employment in Texas public schools.

NOTE: A person will be allowed two opportunities to perform satisfactorily on the TECAT. After the second unsuccessful attempt, a person is not eligible to register for the next two administrations of the test. This restriction does not apply to individuals seeking vocational certification based on skill and experience.

- (b) All teachers seeking vocational certification based on skill and experience must pass the TECAT in lieu of the ExCET requirements for certification. Effective with the beginning of the 1988-89 school year, evidence of successful performance on the TECAT is required prior to the first renewal of a vocational permit.

Section V

**General Requirements
for Texas Teaching
Credentials**

General Requirements for Texas Teaching Credentials

1. State Board of Education rules require an individual to have the following qualifications in order to receive a certificate:
 - (a) Be a citizen of the United States or indicate intent to become a naturalized citizen as evidenced by filing a statement of intention to become a United States citizen (form TCER-023) with the Division of Teacher Certification.
 - (b) Be at least 18 years of age.
 - (c) Be of good moral character and be clear of a felony or misdemeanor conviction for a crime which directly relates to the duties and responsibilities of the teaching profession.
 - (d) Be willing to support and defend the constitutions of the United States and Texas.
 - (e) Be able to speak and understand the English language sufficiently to use it easily and readily in conversation and teaching.
 - (f) Register for and complete all appropriate examinations.
2. A competency examination of basic skills is required for entrance into a teacher education program.
3. Persons seeking certification based on standard out-of-state certificates are also required to pass all appropriate comprehensive examinations.
4. All credit hour requirements for certification are semester hours or their equivalent.
5. Texas teacher certificates are issued to individuals who meet the above requirements and who:
 - (a) Complete all academic requirements of approved programs at Texas institutions approved for teacher preparation and are recommended for certification by the institution.
 - (b) Complete specified requirements through an approved alternative certification program in a Texas public school district and are recommended by the program administrator for certification.
 - (c) Hold a standard teaching certificate issued by another state department of education.
6. Exceptions to the recommendation requirements are:
 - (a) Certain vocational education certificates.
 - (b) Newly adopted teaching fields for which Texas colleges do not have a sufficient number of approved programs.
7. Since the person holding a permanent Texas teacher certificate may be considered to have met the basic requirements for certification, the requirements of professional education shall be considered fully satisfied when the individual has completed at least 12 semester hours of professional education courses of which at least six semester hours are in the area and at the level of the additional certificate requested.
8. To be certified to teach at the secondary level, a person shall demonstrate passing scores on the appropriate professional development examination and a minimum of one subject area examination.

- (a) Persons who do not pass the content specialization requirement of the ExCET in a given discipline may be assigned to teach that subject area for no more than one year on a nonrenewable permit until satisfactory scores on the required ExCET examination(s) have been achieved.
 - (b) Persons holding a valid Provisional Elementary Certificate and having completed at least one year of teaching experience may be certified to teach on the secondary level with only one teaching field.
9. To be certified to teach at the elementary level or secondary level, a person shall have knowledge and skills relating to the education of handicapped pupils, incorporated within the framework of existing programs for elementary and secondary teachers, including:
- (a) Knowledge of the concept of least restrictive alternatives and its implications for the instructional process.
 - (b) Knowledge of the characteristics and learning differences of handicapped students.
 - (c) Skills in informal assessment and a variety of instructional techniques and procedures for implementing the educational plan for handicapped pupils.
 - (d) Knowledge of the admission, review, and dismissal processes and understanding of the individualized educational program for handicapped students.
10. To be certified to teach at any level in Texas public schools, a person shall have had a study of the multicultural society of Texas, with emphasis on working with the ethnic components within the complexities of the Texas school population.
11. To be certified in special education, the individual shall fulfill the specialized requirements of an approved program.
12. The Texas Education Agency issues the following types of teacher certificates:
- (a) Provisional.
 - (b) Professional.
 - (c) One-Year.
 - (d) Temporary.

Section VI

**Requirements for
the Texas Provisional
Certificate Based On
1987 Standards**

Requirements for the Texas Provisional Certificate Based On 1987 Standards

The Provisional Certificate is the standard teaching credential issued to an applicant who has acquired a bachelor's degree and who is otherwise eligible to teach in the public schools of Texas. The exceptions to the degree requirement are certain vocational certificates issued on the basis of work experience and the non-degreed school nurse certificate.

1. General Provisions

All institutions operating teacher education programs in Texas must be approved by the Commission on Standards for the Teaching Profession in accordance with one of the following standards for teacher education:

- (a) 1955 Standards for Teacher Education in Texas.
- (b) 1972 Texas Standards for Teacher Education and Certification.
- (c) The 1984 Standards for Teacher Education.
- (d) The 1987 Standards for Teacher Education.
- (e) A combination of the institutional standards, 1955, 1972, or 1984 and the 1955 or 1984 program standards.

Effective September 1, 1989, all institutions approved to offer teacher education programs for initial certification must be approved under the 1987 Standards for Teacher Education, and no new students may be admitted to a teacher education program based on standards established prior to the 1987 Standards after September 1, 1989.

Individuals pursuing initial certificate or endorsement programs based on standards established prior to the 1987 Standards for Teacher Education must complete all requirements prior to September 1, 1991.

2. Program Requirements

The following are minimum requirements which apply to all teacher certificates, special education certificates, and vocational certificates which are based on the 1987 State Board of Education Rules for Teacher Education.

- (a) General education—at least 60 semester hours, to include the following:
 - (1) English (six semester hours in mechanics and composition)—12 semester hours.
 - (2) Speech (must emphasize oral language proficiency)—three semester hours or demonstration of competency.
 - (3) American history—six semester hours.
 - (4) Political science (study of United States and Texas constitutions)—three to six semester hours.

- (5) Natural science (laboratory)—three semester hours.
 - (6) Mathematics (college algebra or above)—three semester hours.
 - (7) Computing and information technology [including societal and ethical implications, and proficiency in use as a productivity tool(s)]—three semester hours or demonstration of competency.
 - (8) Fine arts—three semester hours.
 - (9) Electives (humanities, social science, natural science, mathematics, other languages, and fine arts)—nine semester hours.
- (b) Academic specialization—36-48 semester hours.
- (1) For the elementary certificate, six semester hours of upper-division courses in reading must be included in each option unless reading is selected as an academic specialization.
 - (2) For all other certificates based on college-approved teacher education programs, reading must be included in the approved program.
- NOTE: Reading instruction will be developmental and corrective, and will incorporate identification, teaching strategies, and resources for dyslexia and other reading disorders. Reading courses which fulfill these requirements may be offered beyond the 18 semester hours of professional development courses.
- (c) Professional development sequence—18 semester hours of upper-division courses. The following three components must be included:
- (1) Core requirements—common to all grade level options, which include studies of:
 - (A) teaching-learning processes, including measurement and evaluation of student achievement;
 - (B) human growth and development;
 - (C) knowledge and skills concerning the unique needs of special learners such as:
 - (i) multicultural education: the impact of cultural, ethnic, language, and social differences upon instructional processes;
 - (ii) the characteristics, assessment, least restrictive alternatives, and admission, review, and dismissal processes for special students requiring individualized or specialized education programs; and
 - (iii) the characteristics, identification, and needs of the gifted and talented student.
 - (D) legal and ethical aspects of teaching to include the recognition of and response to signs of abuse and neglect in children;
 - (E) structure, organization, and management of the American school system, with emphasis upon the state and local structure in Texas; and
 - (F) educational computing, media, and other technology(ies).
 - (2) Methodology—specifically designed for the grade level option selected, to include studies of the following:
 - (A) instructional methods and strategies that emphasize practical applications of the teaching-learning processes;
 - (B) curriculum organization, planning, and evaluation;
 - (C) basic principles and procedures of classroom management with emphasis on classroom discipline, utilizing group and individual processes, as well as different techniques and procedures adapted to the personality of the teacher; and

- (D) the scope and sequence of the essential elements for all subjects required in the elementary course of study that are not included in the academic specializations when elementary options are selected.
- (3) Field experience—
- (A) pre-student teaching—not fewer than 45 clock hours, at least one-half of which shall include observation and experience at the level for which a student teaching assignment is anticipated; and
 - (B) student teaching—a minimum of six semester hours completed in a school or schools accredited or recognized by the Texas Education Agency. (Student teaching may be waived if the student has served successfully for two years in an accredited or recognized school as a regular classroom teacher of record in the area and at the level for which certification is sought.)

3. Elementary Certificate

- (a) Bachelor's degree.
- (b) General education—at least 60 semester hours.
- (c) Academic specialization—36 semester hours.
 - (1) **Option I** (grades one-six):
 - (A) two 12 semester hour academic specializations with six semester hours of upper-division courses in each area; and
 - (B) 12 semester hours in a combination of subjects taught in elementary grades. Six semester hours of upper-division reading must be included unless reading is selected as an academic specialization.
 - (2) **Option II** (grades one-eight):
 - (A) one 18 semester hour academic specialization with nine semester hours of upper-division courses; and
 - (B) 18 semester hours in a combination of subjects taught in elementary grades. Six semester hours of upper-division reading must be included unless reading is selected as the academic specialization.
 - (3) **Option III** (grades one-eight):
 - (A) one 24 semester hour delivery system in bilingual education or generic special education, or academic specialization in life/earth science, physical science, or social studies with 12 semester hours of upper-division courses; and
 - (B) six semester hours in a combination of subjects taught in elementary grades and six semester hours of upper-division courses in reading.

NOTE: The elementary teacher certificate with generic special education shall be valid from pre-kindergarten through grade 12.
 - (4) **Option IV** (grades pre-kindergarten-six):
 - (A) one 24 semester hour delivery system emphasizing instructional areas designed for early childhood education with 12 semester hours of upper-division courses; and
 - (B) six semester hours in a combination of subjects taught in elementary grades and six semester hours of upper-division courses in reading.

(f) Requirements for Teaching Fields:

- (1) A person who holds a Texas Provisional High School Certificate and who wishes to add a teaching field must contact a Texas senior college with an approved program in that specific area. After meeting specified requirements, the individual will be recommended by the college directly to the Division of Teacher Certification for issuance of the appropriate certification.
- (2) The Division of Teacher Certification will accept requests for evaluations for new teaching fields recently adopted by the State Board of Education for which Texas colleges do not have a sufficient number of approved programs.
- (3) A person who holds a vocational certificate and wishes to teach other subject(s) in the secondary schools must qualify for a high school certificate in order to add the teaching field(s).

5. Hearing Impaired Certificate (Pre-Kindergarten-Grade 12)

- (a) Bachelor's degree.
- (b) General education—at least 60 semester hours.
- (c) Academic specialization—36 semester hours in courses specifically designed for teaching the deaf and severely hard of hearing, which include, but need not be limited to:
 - (1) Survey of special education.

Section VII

**Requirements for
the Texas Provisional
Certificate Based On
1955 and 1972 Standards**

Requirements for the Texas Provisional Certificate Based On 1955 and 1972 Standards

The Provisional Certificate is the standard teaching credential issued to an applicant who has acquired a bachelor's degree and who is otherwise eligible to teach in the public schools of Texas. The exceptions to the degree requirement are certain vocational certificates issued on the basis of work experience and the non-degreed school nurse certificate.

1. General Provisions

All institutions operating teacher education programs in Texas must be approved by the Commission on Standards for the Teaching Profession in accordance with one of the following standards for teacher education:

- (a) 1955 Standards for Teacher Education in Texas.
- (b) 1972 Texas Standards for Teacher Education and Certification.
- (c) The 1984 Standards for Teacher Education.
- (d) The 1987 Standards for Teacher Education.
- (e) A combination of the institutional standards, 1955, 1972, or 1984 and the 1955 or 1984 program standards.

Effective September 1, 1989, all institutions approved to offer teacher education programs for initial certification must be approved under the 1987 Standards for Teacher Education, and no new students may be admitted to a teacher education program based on standards established prior to the 1987 Standards after September 1, 1989.

Individuals pursuing initial certificate or endorsement programs based on standards established prior to the 1987 Standards for Teacher Education must complete all requirements prior to September 1, 1991.

2. Program Requirements

The following are minimum requirements which apply to all teacher certificates, special education certificates, and vocational certificates which are based on the 1955 and 1972 Standards for Teacher Education.

**Requirements for
Endorsements to
Certificates Based On
1987 Standards**

Requirements for Endorsements to Certificates Based on 1987 Standards

An endorsement is an area of concentration added to an existing certificate. Endorsements to Texas teacher certificates are classified into delivery system areas and special service areas. Endorsements are available in the areas of Bilingual Education, Driver Education, Early Childhood Education, English as a Second Language, Information Processing Technologies, Learning Resources, and the following areas of Special Education: Severely Emotionally Disturbed and Autistic, Severely and Profoundly Handicapped, and Visually Handicapped.

Eligibility for an endorsement is based on a Bachelor's degree from an accredited institution, valid Texas teacher certificate as designated, and completion of approved program and examination requirements for the endorsement sought.

The requirements for endorsements may be met by one of the following methods:

completion of an approved Texas teacher education program for the desired endorsement and recommendation by the institution

OR

acceptable out-of-state certification in an equivalent area and successful completion of the appropriate ExCET requirements

OR

completion of examination(s) covering the required subject(s) if the institution has an approved examination program.

The matrix on the following page indicates the type of certificate required to qualify for the addition of an endorsement. An (X) indicates that the specified endorsement may be added to the certificate(s) listed at the top of the matrix.

**Requirements for
Endorsements to
Certificates Based On
1955 and 1972 Standards**

Requirements for Endorsements to Certificates Based On 1955 and 1972 Standards

An endorsement is an area of concentration added to an existing certificate. Endorsements to Texas teacher certificates are available in the areas of Bilingual Education, Driver Education, English as a Second Language, Kindergarten*, Learning Resources, and the following areas of special education: Deficient Vision*, Early Childhood Education for Handicapped Children*, Emotionally Disturbed*, Language and/or Learning Disabilities*, Mentally Retarded*, Physically Handicapped*, and Generic Special Education.

Eligibility for an endorsement is based on a bachelor's degree from an accredited institution, valid Texas teacher certificate as designated, and completion of approved program and examination requirements for the endorsement sought.

The requirements for endorsements may be met by one of the following methods:

completion of an approved Texas teacher education program for the desired endorsement and recommendation by the institution

OR

acceptable out-of-state certification in an equivalent area and successful completion of the appropriate ExCET requirements;

OR

completion of examination(s) covering the required subject(s) if the institution has an approved examination program.

The matrix on the following page indicates the type of certificate required to qualify for the addition of an endorsement. An (X) indicates that the specified endorsement may be added to the certificate(s) listed in the first column on the left.

*After September 1, 1989, the Division of Teacher Certification will no longer evaluate out-of-state credentials for this area, and no applicant may be admitted to a Texas teacher education program for this endorsement area. All certification requirements for this endorsement area must be completed by September 1, 1991.

- (b) Admission to the professional superintendent program of the college or university recommending the applicant.
- (c) No ExCET test required.

Section XIV

**Certification Based On
Out-Of-State Credentials**

Certification Based On Out-of-State Credentials

1. Requirements for Issuance of Texas Certificates Based on Out-of-State Credentials

The commissioner of education shall issue an appropriate Texas teacher certificate to a person who has been issued a teaching certificate by another state department of education and desires to teach in Texas. The Texas certificate is issued in accordance with law and the following requirements:

- (a) The out-of-state certificate must meet full teacher certification criteria as specified below:
 - (1) Standard certification based upon a bachelor's degree and completion of a teacher education program at institution(s) of higher learning which have been accredited or otherwise approved by a state department of education, or a regional accrediting organization.
 - (A) Standard certification shall be interpreted to be full certification issued by another state department of education for which no academic deficiencies are indicated; and
 - (B) Specified renewal requirements shall not be interpreted to be academic deficiencies.
 - (2) Standard certification issued by the state and equivalent to the certificate(s) and certificate area(s) issued by the Texas Education Agency. The certification may be invalid solely because it has expired, but may not be:
 - (A) a temporary permit or substandard certificate;
 - (B) issued by a city or school district; or
 - (C) documents such as an approval letter or entitlement card from a teacher training institution, city, or school district.

NOTE: A statement issued by a state department of education specifying eligibility for full certification upon completion of certain employment requirements shall have the same standing as a standard out-of-state certificate. Such statements may be used for certification and employment purposes.
- (b) The Texas Education Agency will evaluate for those areas which appear on the out-of-state certificate and, upon request of an employing school district, the agency will evaluate the applicant's credentials for an area not listed on the out-of-state certificate if it is the applicant's initial assignment in a Texas public school.
- (c) The applicant must contact a Texas teacher preparation institution to be evaluated for an area which does not appear on the out-of-state certificate or is not the initial assignment area in a Texas public school.
- (d) The applicant who holds a standard out-of-state special subject certificate may be issued an equivalent Texas certificate in that special subject area. The appropriate professional development and content specialization subject area ExCET tests must be passed.
- (e) The applicant who holds a standard out-of-state professional special service certificate may be issued an equivalent Texas certificate in that area provided the preparation program for the out-of-state certificate requires the individual to hold basic teacher certification. The appropriate professional certificate ExCET test(s) must be passed.

- (f) The applicant shall not be required to complete the content specialization ExCET test in a certification area for which no Texas certification is desired.

Exception: Individuals seeking certification in a special subject area must complete ExCET requirements for a basic classroom certificate unless the preparation program for the out-of-state special subject credential does not require the individual to hold a basic classroom certificate.

NOTE: Individuals seeking certification based on out-of-state credentials should be advised to register only for ExCET test(s) specified on the deficiency plan prepared by the Division of Teacher Certification.

2. The Texas One-Year Certificate

If all requirements specified are met except the appropriate ExCET test(s), the applicant may be issued a one-year nonrenewable certificate valid for 12 months.

- (a) The appropriate test requirement(s) must be satisfied prior to expiration of the one-year certificate.
 - (1) If the ExCET test requirements are not completed within the 12 month validity period, the individual will not be eligible for any type of certificate or permit authorizing employment for the same certified level or area(s) until the appropriate ExCET tests have been passed.
 - (2) Upon presentation of written evidence of extreme hardship conditions, the commissioner of education may grant an extension of the one-year certificate for a period not to exceed 12 months.
- (b) Upon completion of testing requirements, the appropriate Texas certificate may be issued.

3. Procedure for Previously Evaluated Applicants

An applicant seeking Texas certification based on out-of-state credentials for whom a deficiency plan was prepared by the agency prior to June 14, 1986, may:

- (a) Complete the examination requirements as outlined above; or
- (b) Submit a written request to the commissioner of education for authorization to complete all course work specified on the deficiency plan. After completion of the course work, a Texas certificate will be issued upon receipt of an application and evidence of passing scores on the Texas Examination of Current Administrators and Teachers (TECAT).
- (c) These provisions expire on September 1, 1991.

Section XV
Other Teacher
Certification Programs

Other Teacher Certification Programs

1. Jamison Bill

In 1969, the Texas Legislature passed the Jamison Bill which was specifically designed to encourage and facilitate the entry of intelligent, mature, and concerned persons into the teaching profession. The purpose of this legislation was to provide teacher training programs appropriate to the academic preparation and work experience of persons who had possessed a bachelor's degree from an accredited institution for at least three years and were otherwise eligible under law to be certified. Persons seeking certification under the provisions of this bill must be sponsored by a college or university approved for teacher certification.

(a) General Guidelines.

- (1) The State Board of Education shall develop and publicize a program specifically designed to encourage and facilitate the entry into public school teaching and into teacher training programs of a corps of intelligent, mature, and concerned persons who have received bachelor's degrees from accredited institutions of higher education.
- (2) The State Board of Education and the institutions of higher learning in this state that are approved for teacher education shall cooperate to develop procedures for the individual evaluation and appraisal of the training needs of persons applying for teacher certification who have possessed a bachelor's degree from an accredited institution of higher learning for a period of three years or longer and who are eligible under the laws of Texas to be certified, and to provide to these persons teacher training programs that are appropriate to their needs and that can be completed in a reasonable time.
- (3) The president or chancellor of each college or university in this state approved for teacher training shall appoint a three-member evaluation team to perform the individual evaluation and determine the individual training needs referred to above in Subsection 2. The evaluation team shall be comprised of two members of the faculty of the department or school of education and:
 - (A) one member from the school or college of arts and sciences if the individual is applying for evaluation for elementary certification

OR

 - (B) one member from the teaching field of the individual if the applicant is applying for evaluation for secondary certification.
- (4) More than one team as described in Subsection 3 of this section may be appointed at an institution when needed.
- (5) When an applicant meeting the requirements in Subsection 2 of this section seeks to become certified to teach in the public schools of Texas, he shall present his transcript and any information covering any work experience or additional qualifications to an institution of higher learning approved for teacher education. The institution's evaluation team shall evaluate the applicant's transcript and work experience and, when practicable, interview the applicant to determine any deficiencies in either professional or content preparation in the area of teaching specialization chosen by the applicant. The evaluation team shall give due consideration to the applicant's work experience, as well as to the academic record,

and to any other evidence bearing upon qualifications as a teacher. The evaluation team shall then recommend what additional course work or other preparation is needed by the applicant to qualify for certification under standards established by the State Board of Education. While the applicant is pursuing the study and preparation recommended by the evaluation team, he or she will remain under its general guidance. Training may be reevaluated by the team when necessary, as when any teaching experience is acquired by the applicant either in student teaching or under emergency permit. When the team finds the applicant has satisfactorily met the requirements for certification, the team shall recommend him or her for a provisional certificate.

- (6) The State Board of Education, with the advice and assistance of the state commissioner of education, shall develop a pattern of minimum standards for the certification of persons under this section. The pattern shall recognize the role and responsibility of the evaluation teams. As far as the training of persons under this section is concerned, the board shall allow the waiver of any current requirements for the provisional certificate not stipulated or implied by the standards developed for the guidance of institutions for this particular program. However, nothing in this section shall be construed as permitting more requirements of an applicant under this section than would be made in an undergraduate program of teacher preparation; to the contrary, the legislative intent of this section is that, in recognition of the maturity, experience, and level of achievement of applicants in this program, course requirements would more likely be reduced, compressed, or combined, and would be more freely interchangeable with similar courses.
 - (7) The Central Education Agency is hereby authorized and directed to prepare, or have prepared, publicity materials, and to make these materials available for use to television and radio stations, newspapers and other periodicals, and any other appropriate communications media, to encourage qualified persons to enter the teaching profession and to publicize the training program directed in this section, as well as other teacher-training programs. The Central Education Agency is hereby authorized to use for this purpose any funds that have been or may be appropriated to it, and to accept and spend for this purpose any gifts or donations of funds made for this purpose.
 - (8) When the commissioner of education shall so direct, in the case of applicants seeking to enter this program to qualify to teach in trade or industrial courses, the requirement herein for a bachelor's degree may be waived.
 - (9) The State Board of Education, with the advice and assistance of the commissioner of education, is hereby authorized to establish such rules and regulations as are not inconsistent with the provisions of this section and which may be necessary to implement and carry out the legislative policy expressed herein.
- (b) Specific Requirements.
- (1) Eligibility of Candidate.
 - (A) General requirements are as specified for all persons seeking a certificate to teach in the State of Texas, as stated in Section V-General Requirements for Texas Teaching Credentials; and
 - (B) For persons selected for accelerated programs, the candidate must:
 - (i) possess a bachelor's degree from an accredited institution of higher learning for three or more years prior to application for admission into the teacher education program;
 - (ii) present evidence of adequate scholastic achievement in college; and
 - (iii) show breadth and depth of preparation in academic areas related to subjects commonly taught in the public schools of Texas.

(2) Application Procedures for Candidate.

The candidate must:

- (A) complete an application form with evidence attached that he or she meets the general requirements for persons desiring certification to teach;
- (B) present an official college transcript(s) and statement as to his or her rank in college graduating class;
- (C) present a record of experiences and qualifications for evaluation that:
 - (i) list periods of work experience, giving types and kinds of work and names of former employers;
 - (ii) list specific talents or hobbies;
 - (iii) list other experiences that add educational dimensions for appraisal; and
 - (iv) list names of references who have personal knowledge of applicant's personal, academic, and occupational history; and
- (D) present the percentile score(s) of a standardized achievement test of a recent date which includes a measurement of competence in the skills of communication, the ability to reason in logical written form, and competence in the area(s) of teaching specialization. The acceptable test(s) are determined by the institution.

(3) Institutional Appraisal and Evaluation.

(A) The evaluation team:

- (i) shall be appointed by the president or chancellor of each college or university approved for teacher education and more than one such team may be appointed at an institution when needed;
- (ii) shall be comprised of two members of the faculty of the department or school of education and one member from the school or college of arts and sciences for individuals applying for evaluation for elementary certification or from a teaching field for individuals applying for evaluation for secondary certification; and
- (iii) shall give general guidance to the individual in study and preparation and, when necessary, make reevaluations.

(B) Institutional procedures for committee(s) evaluation:

- (i) to determine applicant's eligibility for acceptance into the program the committee shall:
 - (I) review the applicant's official transcript for evidence of adequate scholastic achievement and for evidence of acceptable teaching field(s) for elementary or secondary school programs;
 - (II) review the score(s) of required general achievement test(s);
 - (III) review the applicant's work experiences, references, and recommendations, and any other evidence bearing upon personal and professional qualifications as a teacher; and
 - (IV) interview the applicant to assist in the determination of qualification as a highly selected, intelligent, mature, well-educated, and concerned individual interested in a career as a teacher.
- (ii) To develop the individual's programs after admission the committee shall:
 - (I) outline deficiencies in professional and content preparation with respect to the area of teaching specialization chosen by the applicant;
 - (II) provide a teacher-training program that is appropriate to the individual's needs and that can be completed in a reasonable time;

- (III) consider equivalencies for work experiences and other specific experiences and qualifications when appropriate for course or credit requirements;
- (IV) assure that the program prepared for the individual does not outline more requirements than would be made in an undergraduate program of teacher preparation;
- (V) give consideration to a program that makes possible course requirements that may be reduced, compressed, or combined and interchangeable with similar courses; and
- (VI) prepare a program of certification for the individual in triplicate, with the original to be filed at the college, one copy for the individual, and one copy to be sent to the commissioner of education.

(4) Program(s) of Preparation.

- (A) Program development—programs shall be developed to meet the needs of the individual.
- (B) Plans—the college may organize its program to take into consideration one or more of the following plans:
 - (i) courses designed to meet specific needs of individual applicants;
 - (ii) acceptance of equivalent courses;
 - (iii) examinations covering courses or areas of study; and
 - (iv) organization of demonstration laboratories that would test the individual's ability to perform successfully in the various aspects of the total teaching situation.
- (C) Academic foundations—persons with bachelor's degrees from accredited institutions of higher learning shall be considered as having fulfilled the requirements in this area, except for the unusual case of obvious imbalance in the degree program.
- (D) Academic specialization area:
 - (i) the college evaluation team shall determine the adequacy of the individual's preparation to teach in his or her chosen area or field;
 - (ii) the college evaluation committee shall consider the need to update knowledge within the field(s) of teaching specialization; and
 - (iii) the college evaluation committee shall give due consideration to the applicant's work experience, other experiences, and other qualifications with respect to the area of teaching specialization.
- (E) Professional development:
 - (i) The college shall provide laboratory experiences which:
 - (I) use accredited schools within the college area for extensive laboratory experiences related to the courses offered in professional education;
 - (II) provide frequent supervisory visits during the individual's student teaching program; and
 - (III) provide for college supervision of the individual during an internship under a master teacher in a nearby accredited school after the completion of courses in education.
 - (ii) The college shall organize a program which gives due consideration to the needs of the individual applicant as to the sociological, psychological, and philosophical aspects of teaching; learning theories and their application to various situations and to the individual differences of students; strategies and techniques of curriculum design accompanied by development of the ability to plan and produce various instructional materials and media; and systems of evaluation of students and of teaching.

(F) ExCET requirements.

The individual must achieve acceptable scores on the appropriate professional development and content specialization portions of the Examination for the Certification of Educators in Texas (ExCET).

2. Alternative Teacher Certification

In 1984, the Texas legislature passed House Bill 72 directing the State Board of Education to establish a program for the certification of persons who are not graduates of teacher education programs. The alternative certification of teachers is a local education agency program or cooperative program between local education agencies, participating colleges and universities, and delivered through Texas public schools. The program allows individuals who hold degrees from regionally accredited institutions of higher education and who meet prerequisites for admission to an approved alternative certification program to earn certification while working and observing in the public schools. Alternative certification programs are designed to fill both current and anticipated teacher vacancies.

(a) Teacher certificates which may be earned through an alternative certification program are:

- (1) Grades six-12.
- (2) Grades prekindergarten-six.
- (3) Grades prekindergarten-six bilingual/English as a second language (ESL).
- (4) Grades prekindergarten-12 English as a second language (ESL).

(b) Eligibility of Candidate:

- (1) General requirements are as specified for all persons seeking a certificate to teach in the State of Texas as stated in Section V-General Requirements for Texas Teaching Credentials.
- (2) Persons selected for approved alternative teacher certification programs must:
 - (A) possess a bachelor's degree from a regionally-accredited institution of higher education with a grade point average of 2.5 on a 4.0 system on all semester hours attempted and on semester hours required for certification sought;
 - (B) possess basic skills in mathematics, reading, and writing as evidenced by acceptable scores on the state-mandated basic skills test or its equivalent as determined by the commissioner of education;
 - (C) not be a graduate of a teacher education program or hold or have held a teacher certificate; and
 - (D) meet the following academic requirements for the certificate to be earned:
 - (i) **Grades six-12:** 24 semester hours in a subject included in the State Board of Education Rules for Curriculum for the secondary level of assignment; 12 semester hours must be upper division.
 - (ii) **Grades prekindergarten-six:** 24 semester hours in a combination of subjects taught in the elementary school which must include English, mathematics, a natural science, and a subject in the social studies.
 - (iii) **Grades prekindergarten-six bilingual/English as a second language (ESL):** evidence of oral and written proficiency in the language of the target population for bilingual education assignments and 24 semester hours in a combination of subjects which must include English, mathematics, a natural science, and a subject in the social studies.

- (iv) **Grades prekindergarten-12 English as a second language (ESL):** 18 semester hours in English, six of which must be upper division.

NOTE: Courses which focus on topics closely related to the semester hour requirements listed above may be accepted for admission to the alternative certification program; however, such substitutions shall not exceed six hours for the grades six-12 certificate or three hours for all other certificates.

(c) Eligibility for Assignment as a Teacher of Record.

- (1) Assignment in grades six-12 requires completion of the admission requirements specified in item (1) for these grade levels.
- (2) Assignment in grades prekindergarten-six requires completion of the admission requirements specified in item (1) and three semester hours of reading with three additional hours of reading to be completed during the first semester of the internship.
- (3) Assignment in grades prekindergarten-six bilingual/ESL and prekindergarten-12 ESL requires completion of the admission requirements specified in item (1) and six semester hours inclusive of the concepts of linguistics, language acquisition, bilingual/ESL methodology, and culture (concepts, patterns, contributions) of the target population.

(d) Recommendation for Certification.

- (1) Prior to recommendation, the individual must meet the appropriate academic requirements specified in item (2) and in addition for:
 - (A) **prekindergarten-six:** six additional semester hours emphasizing early childhood and kindergarten curriculum and instructional methods;
 - (B) **prekindergarten-six bilingual/ESL:** six additional semester hours inclusive of the concepts of linguistics, language acquisition, bilingual/ESL methodology, and culture of the target population; and
 - (C) **prekindergarten-12 ESL:** six additional semester hours inclusive of the concepts of linguistics, language acquisition, bilingual/ESL methodology, and culture of the target population.
- (2) The individual must possess acceptable score(s) on the appropriate content specialization portion(s) of the Examination for the Certification of Educators in Texas (ExCET). By statute, applicants for certification based on alternative teacher certification programs are not required to take the professional development portion of the ExCET.
- (3) The individual must demonstrate successful classroom performance which satisfies teacher appraisal requirements of the state and local district.

(e) Options Available to Alternative Certification Programs and Interns.

- (1) An individual may choose to add additional areas of certification at the same level of assignment as the internship while pursuing initial certification through an alternative certification program. The individual would be required to:
 - (A) complete all academic requirements for the additional certification sought; and
 - (B) complete successfully the appropriate ExCET requirements.
- (2) After an individual has been issued an initial certificate based on an alternative certification program, the addition of other certification areas requires completion of a teacher training program and the recommendation of an approved teacher education institution.

- (3) In the event that an intern fails to complete all program requirements within the internship year, the superintendent or his or her designee may apply to retain the intern in the alternative certification program for an additional year.
- (4) If the sponsor of an alternative certification program chooses not to seek reapproval or the State Board of Education does not grant a reapproval request, interns currently enrolled in the program will be provided an opportunity to complete requirements within a reasonable time.
- (5) In the event that local conditions prevent the assignment of an intern as a teacher of record as provided in the approved program, the commissioner of education may recognize an alternative assignment. An alternative assignment must be at the level and in the area appropriate for the certificate sought, and must fulfill internship requirements. All requirements for supervision and appraisal must be met.

3. Requirements for Persons with Bachelor's Degrees Seeking Initial Teacher Certification through Approved Texas Colleges and Universities

Texas colleges and universities with approved teacher education programs may admit to a special program and recommend for initial Texas teacher certification persons who possess at least a bachelor's degree from a regionally accredited institution and who meet specific qualifications.

(a) Qualifications for Admission.

- (1) An overall grade point average of at least 2.5 on a 4.0 system at the baccalaureate level.
- (2) Demonstration of basic skills on a state-mandated test in mathematics, reading, and writing.

(b) Qualifications for Certification.

- (1) Demonstration of skill in educational computing and technology through either successful completion of course work or proficiency review.
- (2) Demonstration of speech competency (with emphasis on oral proficiency in the English language) through either successful completion of course work or proficiency review.
- (3) Successful completion of the minimum number of semester hours, including upper division hours, in teaching specialties for the respective certificate options to the extent that a reasonable representation of the essential elements is identifiable and that guidelines of relevant learned societies are addressed. For secondary certification, a single teaching field of 24 semester hours with 12 upper division hours is permissible.
- (4) For the elementary certificate, six semester hours of reading must be included in the plan and for all other certificates reading must be included in the plan. (Reading instruction will be developmental and corrective, and will incorporate identification, teaching strategies, and resources for dyslexia and other reading disorders.)
- (5) Additional semester hours in education may be allowed for certification in bilingual education, special education, and early childhood education.
- (6) Successful completion of 18 semester hours of professional development which shall include, but not be limited to:
 - (A) core studies including legal aspects of teaching with emphasis on the recognition of and response to signs of abuse and neglect in children, special education, multicultural education, media and technology;

- (B) methodology inclusive of curriculum and planning, developmental and corrective reading including dyslexia and other reading disorders, classroom management and discipline, teaching strategies, and human growth and development;
 - (C) a pre-student teaching/pre-internship student contact experience; and
 - (D) a student teaching experience of at least eight weeks of full days or 16 weeks of half days in a school or schools accredited or recognized by the Texas Education Agency or a field internship of one school year where the intern may be employed as a teacher of record and where the intern is jointly supervised by the college or university and a cooperating school district accredited or recognized by the Texas Education Agency.
- (7) Demonstration of expertise in the teaching specialty and professional studies as evidenced by passing scores on the appropriate ExCET test(s).

Section XVI

**Certification for
Individuals Who
Completed College Work
Before 1955**

Certification for Individuals Who Completed College Work Before 1955

Certification is available under the certificate law in effect prior to September 1, 1955, (commonly called "Old Law").

1. Eligibility

- (a) Completion of six semester hours credit in education prior to September 1, 1955.
- (b) Completion of State Board of Education requirement in federal and Texas constitutions or six semester hours in American government prior to September 1, 1955. An exemption from this requirement is allowed for all applicants who earned 60 semester hours of college credit prior to September 1, 1929, or who completed a course in a Texas state-supported college prior to September 1, 1930.
- (c) Completion of six semester hours of English prior to September 1, 1955.

2. General Information

- (a) A transcript evaluation is made for the highest certificate for which the applicant is qualified. Remaining courses may be completed after September 1, 1955.
- (b) The validity of temporary certificates issued under this law begins with the date of completion of the applicant's most recently completed course from an accredited college. For this reason, it is frequently necessary for applicants to take a recent course from college, even though they have met all other certificate requirements.
- (c) Any temporary certificate may be extended for one year upon completion of six semester hours of **resident college credit** earned during the last school year and summer that the document is dated to expire. A temporary certificate may not be extended by taking correspondence or extension work.
- (d) All temporary certificates expire August 31, of the year of expiration.
- (e) After a temporary certificate is issued, it may be converted to a life certificate during its validity if sufficient teaching experience is verified after the degree is conferred.

3. Effective Date

Individuals pursuing requirements for provisional certificates or specialized assignments or programs based on Texas Education Agency evaluations or college or university plans issued under the standards in effect prior to September 1, 1955 must complete all the requirements on or before September 1, 1991.

Section XVII

Teaching Permits

Teaching Permits

1. General Requirements

- (a) A superintendent who is unable to secure an appropriately certified individual to fill a vacant position may pursue one of the following options:
- (1) Activate an Emergency Teaching Permit (ETP) (form TCER-024) for an individual who is not certified or is not certified at the appropriate level for regular teacher of young children, elementary, junior high, high school, or vocational classroom assignments.
 - (2) Activate a Special Assignment Permit (SAP) (form TCER-024) for an individual who is not certified for assignment to a professional service, special education, bilingual education, English as a second language, or kindergarten position.

NOTE: Special Assignment Permits may not be activated for administrative positions (superintendent, principal, or assistant principal), reading specialists, and driver educators.
 - (3) Activate a Temporary Classroom Assignment Permit (TCAP) (form TCER-012) for a teacher who is certified to teach in departmentalized grades six-12, but who will be assigned outside the certified area(s) at the secondary level.
- (b) A permit is authorized for the public school district and is not the property of the individual for whom the permit was activated.
- (1) A permit is authorized on the basis of the teacher's having completed the requirements for the permit requested.
 - (2) A permit is valid only for the remainder of the scholastic year during which it is activated and only in the school system through which the application for the permit was made.
 - (3) If a permit authorized by the Texas Education Agency is not utilized, a written request to cancel the permit should be submitted to the Division of Teacher Certification.
- (c) A permit may be authorized on a hardship basis for an individual who does not meet full permit requirements only if written approval has been received from the Division of Teacher Certification.
- (1) The district must document local conditions which necessitate the assignment of an individual who does not meet permit requirements.
 - (2) The district must verify that the individual will be enrolled in the first available course(s) listed on the deficiency plan.
- (d) The Texas Education Agency will use as the effective date of the initial permit the date the application is signed by the superintendent or authorized representative.
- (e) The superintendent verifies when activating the permit (form TCER-024) that the district is unable to secure a person fully certified and qualified for the position and that the individual for whom the permit is activated is the best qualified person available.
- (f) An appropriately certified applicant who was not employed for a position that was filled by an individual for whom a permit was activated by the superintendent may appeal the decision of a local school board directly to the commissioner of education.

(g) The individual for whom a permit is activated must meet the following general requirements:

(1) Hold a bachelor's degree from an accredited institution of higher learning

OR

For permits authorized on a hardship basis, a minimum of 90 semester hours from an accredited institution of higher learning in lieu of a degree

OR

For some vocational permits, specified work experience in lieu of a degree;

(2) Be a citizen of the United States or be in the process of becoming a naturalized citizen as evidenced by filing a statement of intention to become a United States citizen, (form TCER-023);

(3) Be at least 18 years of age;

(4) Be of good moral character and be clear of a felony or misdemeanor conviction for a crime which directly relates to the duties and responsibilities of the teaching profession; and

(5) Be able to speak and understand the English language sufficiently to use it easily and readily in conversation and teaching.

2. Requirements for Emergency Teaching Permits

(a) If the permit is for teaching at the elementary level, the individual must have completed 12 semester hours specifically designated as elementary education.

Self-Contained Elementary—Permit Code 0200

Departmentalized Elementary—See Appendix D, "Permit Assignment Codes"

(b) If the permit is for teaching at the secondary level, the individual must have completed minimum requirements (24 semester hours) for one teaching field and the permit can be authorized only for teaching in that field.

Permit Code—See Appendix D, "Permit Assignment Codes"

(c) If the permit is for teaching in an all-level assignment such as art, music, or physical education, the individual must have completed a minimum of 24 semester hours in the specific field, and the permit can be authorized only for teaching in that field in grades one-12.

Permit Code—See Appendix D, "Permit Assignment Codes"

(d) A bilingual permit may be activated for a person who meets requirements for the level of assignment and who:

(1) is bilingual in English and the language of the target population; and

(2) has been admitted to a college approved program for bilingual education.

Permit Code—See Appendix D, "Permit Assignment Codes"

(e) A Reserve Officer Training Corps permit may be activated for a person who teaches ROTC and meets the requirements of the Reserve Officer Training Corps. Record of the individual's continuation in the ROTC assignment will appear on the teacher service record. No further contact with the Division of Teacher Certification is necessary.

ROTC—Permit Code 0316

- (f) An individual with a high school certificate and a teaching field in a foreign language may teach foreign language at the elementary level on an emergency teaching permit.
- (1) The individual must complete six semester hours of elementary education during the first year in which the permit is valid.
 - (2) Continuation in this assignment should be documented as follows:
 - (A) a teacher service record verifying continuation in this assignment; and
 - (B) a transcript showing the completion of six semester hours of elementary course work should be placed in the individual's file at the local district.
- (g) Emergency teaching permits may be requested for foreign exchange teachers when reciprocity with a Texas teacher is officially recognized as a part of a foreign exchange teacher program. No renewals are available.
- (h) An emergency teaching permit may be activated for an individual who is assigned to teach the deaf and/or severely hard of hearing provided that:
- (1) the employing school district or cooperative has one or more fully certified deaf and/or severely hard of hearing teacher(s) serving in this instructional program; and
 - (2) the individual has completed one year of teaching experience or six semester hours directly related to teaching the deaf and/or severely hard of hearing.
- Deaf and/or Severely Hard of Hearing—Permit Code 2187
- (i) An emergency teaching permit may be activated for an individual who is assigned to provide speech therapy services provided that:
- (1) the district or cooperative already employs or has available at least one fully licensed speech-language pathologist or certified speech therapist to serve speech handicapped students;
 - (2) the individual has completed one year of teaching experience or six semester hours directly related to speech therapy for school-aged children;
 - (3) the individual has completed a minimum of 24 semester hours in the field of speech/communication disorders; and
 - (4) the individual has been registered as an intern (Clinical Fellowship Year) in speech-language pathology or has been licensed as an associate in speech-language pathology by the State Committee of Examiners for Speech-Language Pathology and Audiology and adheres to the professional standards of the State Committee of Examiners regarding appropriate supervision.

NOTE: Proof of registration with the State Committee of Examiners for Speech-Language Pathology and Audiology as a Clinical Fellowship Year Intern will be acceptable in lieu of a college deficiency plan for the individual who holds a master's degree in speech pathology.

A college deficiency plan for a speech and language therapy certificate is required for the individual licensed as an Associate in Speech Pathology.

(1) The superintendent or authorized representative of a school district may activate an emergency teaching permit/special assignment permit by submitting to the Division of Teacher Certification the following items:

(A) a duplicate of an emergency teaching/special assignment permit (form TCER-024) completed prior to the date the individual's teaching duties began;

(B) college deficiency plan (form TCER-003) for completion of certificate requirements, verifying that the individual meets the grade point average required for admission to the teacher education program, and all requirements for the certificate can be completed within three years for ETPs and two years for SAPs; and

(C) appropriate fee (payable by the school district).

(2) The school district will maintain the following items in the teacher's personnel file:

(A) the original emergency teaching/special assignment permit (form TCER-024) completed prior to the date the individual's teaching duties began;

(B) deficiency plan as described above; and

(C) official transcripts showing completion of permit requirements.

(3) If the individual **meets full permit requirements**, the permit will be authorized with no Texas Education Agency action required.

(4) If the individual does not meet full permit requirements, written approval from the Division of Teacher Certification must be in the district's personnel files for the permit to be considered valid.

(b) Vocational Permits.

(1) A statement of qualifications (form VOC-139) verifying appropriate work experience must be approved by the employing superintendent or certification officer of a college or university approved to prepare teachers for the vocational certificate sought prior to placement of a teacher in a vocational assignment.

- (A) For the purpose of approving work experience, 12 months of wage-earning experience for at least 40 hours per week shall equal one year of full-time experience.
 - (i) Wage-earning experience consisting of less than 40 hours, but at least 20 hours per week, shall be calculated at a 50% rate in determining years of creditable full-time experience.
 - (ii) Wage-earning experience indicating services performed for less than 20 hours per week shall not be considered as acceptable when determining full-time experience.
 - (B) The statement of qualifications must be reevaluated if the individual's vocational teaching assignment is changed.
- (2) The superintendent or authorized representative of a school district may activate a vocational permit by submitting to the Division of Teacher Certification the following items within 30 days of employment:
- (A) a duplicate of a vocational permit (form TCER-024) completed prior to the date the individual's teaching duties began;
 - (B) a copy of the individual's statement of qualifications (form VOC-139) verifying appropriate work experience required for the vocational area to be taught;
 - (C) college deficiency plan (form TCER-003) for completion of certificate requirements from an institution approved to offer courses for the vocational certificate sought; and
 - (D) appropriate fee (payable by the school district).
- (3) The school district will maintain the following items in the teacher's personnel file:
- (A) the original vocational permit (form TCER-024) completed prior to the date the individual's teaching duties began;
 - (B) statement of qualifications (form VOC-139); and
 - (C) college deficiency plan (form TCER-003).
- (4) If the individual meets full permit requirements, the permit will be authorized with no Texas Education Agency action required.
- (5) If, upon receipt and review of the documents by the Division of Teacher Certification, it is determined that the permit cannot be authorized, the district will be notified within 30 days.

(c) Temporary Classroom Assignment Permits.

- (1) The superintendent of a public school district may activate a temporary classroom assignment permit (TCAP) for an individual assigned to teach outside certified subject area(s) in departmentalized grades six-12 and must place in the teacher's personnel file the following:
- (A) temporary classroom assignment permit (form TCER-012) completed prior to the date on which teaching duties begin;
 - (B) documentation of conditions causing the need to assign a teacher who is not fully certified in the subject(s) to be taught, may include conditions such as:
 - (i) resignation or severance of personnel;
 - (ii) unexpected enrollment or unusual population increases;
 - (iii) demands for additional class sections or courses; or
 - (iv) declining enrollment.

NOTE: Conditions may be stated in the lower margin on the front page of the TCAP form.

- (C) college deficiency plan (TCER-003) for the target certificate, verifying that:
 - (i) the individual meets the grade point average required for admission to the teacher education program; and
 - (ii) all requirements for the field(s) can be completed within two years.
 - (D) official transcripts verifying completion of semester hours required for assignment.
- (2) A TCAP can only be activated in compliance with the following provisions:
- (A) An emergency need should be evident.
 - (B) The TCAP can only be used for assignment to teach a maximum of two subjects for which the teacher is not certified.
 - (C) The TCAP is only applicable for classroom teaching assignments in a departmentalized situation. The TCAP may **not** be used for the following assignments:
 - (i) elementary, grades K-five;
 - (ii) self-contained sixth grade;
 - (iii) special education;
 - (iv) vocational education; or
 - (v) professional service positions.
 - (D) The TCAP must be activated on or before the date teaching duties begin.
 - (E) A TCAP is valid only for the school year and the assignment for which it is activated.
 - (F) A TCAP expires at the end of the school year or at the end of the assignment, whichever occurs first.
 - (G) An emergency teaching permit may not be activated for a certified teacher who does not meet TCAP requirements.
- (3) A TCAP may be activated on a hardship basis for a teacher who does not meet requirements only if written approval has been received from the Texas Education Agency. The TCAP form, deficiency plan, official transcript(s), and agency approval must be maintained in the teacher's personnel file.

7. Renewal Procedure

- (a) Emergency Teaching Permits/Special Assignment Permits.
 - (1) Renewals are available provided all renewal requirements are completed, but are subject to the following limitations:
 - (A) two renewals for an emergency teaching permit;
 - (B) one renewal for a special assignment permit;
 - (C) two renewals for a special assignment permit for bilingual education;
 - (D) unlimited renewals are available to individuals on vocational counselor and vocational supervisor special assignment permits provided six semester hours of required course work are completed each year.
 - (2) The superintendent of a public school district is authorized to renew the permit the allowable number of consecutive times provided that the following renewal requirements and procedures are met:

- (A) the permit is renewed for the same assignment in the same school district as the initial permit;
- (B) the permit is renewed by placing the following items in the teacher's personnel file in the local school district office:
 - (i) renewal section completed on reverse side of original ETP/SAP (form TCER-024) prior to beginning date of teaching duties;
 - (ii) official transcript(s) showing a minimum of six semester hours or one-third of the deficiencies for the target certificate have been removed each year; and
 - (iii) beginning with the 1988-89 school year, evidence of a satisfactory level of performance on a competency examination of basic skills prior to the first renewal of the permit.

(3) Requests for renewal of permits must be submitted to the Division of Teacher Certification when:

- (A) all course requirements have not been completed. (This is considered a hardship situation which requires written approval from the Division of Teacher Certification prior to assignment.);
- (B) the renewal is for a change of assignment and/or school district; or
- (C) the renewal is for non-consecutive years.

NOTE: Under no circumstances may a permit be renewed without evidence of successful completion of the appropriate examination.

(4) The following items must be submitted with renewal requests:

- (A) a duplicate of a new emergency teaching/special assignment permit (form TCER-024) completed prior to the date the individual's teaching duties began;
- (B) appropriate fee (payable by the school district);
- (C) an updated deficiency plan for completion of certificate requirements; and
- (D) official transcript(s) of credits completed after issuance of initial permit.

NOTE: If illness prevented the teacher from completing renewal requirements, an original statement, signed by the attending physician or practitioner must be submitted with the renewal request. Also, if classes were not offered or did not make, a letter from the head of the department, registrar, or certification officer must be submitted with the renewal request.

(b) Vocational Permits.

- (1) One emergency teaching permit renewal is available for vocational education areas, provided that all requirements for renewal are completed. Two permit renewals are available in areas requiring the completion of an approved teacher education program.
- (2) The superintendent of a public school district is authorized to renew permits for vocational education areas provided that the following renewal requirements and procedures are met:
 - (A) The permit is renewed for the same assignment in the same school district as the initial permit.
 - (B) A permit for vocational education areas is renewed by placing the following items in the teacher's personnel file in the local district office:

- (i) verification of one year of successful teaching in the vocational program for which renewal is activated;
- (ii) renewal section completed on the reverse side of the original vocational permit (form TCER-024) prior to the beginning date of teaching duties;
- (iii) official transcript(s) showing a minimum of six semester hours or one-third of the deficiencies, whichever is greater, for the target certificate have been completed each year; and
- (iv) effective with the beginning of the 1988-89 school year, evidence of successful performance on the TECAT prior to the first renewal of the permit

OR

in areas requiring completion of an approved teacher education program, evidence of satisfactory performance on a competency examination of basic skills is required prior to first renewal of the permit.

- (3) Request for renewal of vocational permits must be submitted to the Division of Teacher Certification when:
- (A) all course requirements have not been completed (this is considered a hardship situation which requires written approval from the Division of Teacher Certification prior to assignment);
 - (B) the renewal is for a change of assignment and/or school district or both; or
 - (C) the renewal is for non-consecutive years.

NOTE: Under no circumstances may a permit be renewed without evidence of successful completion of the appropriate examination.

- (4) The following items must be submitted with the renewal request:
- (A) a duplicate of the permit (form TCER-024) completed prior to the date the individual's teaching duties began;
 - (B) appropriate fee (payable by the school district);
 - (C) an updated deficiency plan for completion of certificate requirements; and
 - (D) official transcript(s) of credits completed after the issuance of the initial permit.

NOTE: If illness prevented the teacher from completing the permit requirements, an original statement signed by the attending physician or practitioner must be submitted with the renewal request. Also, if classes were not offered or did not make, a letter from the head of the department, registrar, or certification officer must be submitted with the renewal request.

(c) Temporary Classroom Assignment Permits.

One renewal of the TCAP may be activated by the superintendent in compliance with the following requirements:

- (1) Renewal for the same assignment by the same school district which activated the original TCAP;
- (2) Placement of the following materials in the teacher's personnel file:
 - (A) a TCAP (form TCER-012) completed for renewal prior to the date on which teaching duties begin; and
 - (B) official transcript(s) showing completion of six semester hours of deficiencies for the appropriate teaching field.

8. Nonrenewable Permits

- (a) Approval of a nonrenewable permit (form TCER-030) may be requested by an employing superintendent for teachers who have not satisfied the appropriate test requirements. The nonrenewable permit may be used for teachers in the following categories:
- (1) Teachers who have completed all course and degree requirements for certification except for successful completion of the competency examination of basic skills approved by the State Board of Education or all portions of the appropriate ExCET test(s). Nonrenewable permits approved for teachers in this category expire 12 months from activation.
 - (2) Teachers who possess a Texas teacher certificate with a validity date prior to May 1, 1986, and have not revalidated the certificate for employment purposes by successfully passing the TECAT. These teachers must not have been employed in a Texas public school during the 1985-86 or subsequent school years. Nonrenewable permits approved for teachers in this category expire six months from the date of activation or at the end of the school year, whichever is less.
- (b) The superintendent or authorized representative of a school district may request approval to employ an individual on a nonrenewable permit by submitting the following items to the Division of Teacher Certification **within 30 days of employment**:
- (1) Two copies of the application for nonrenewable permit (form TCER-030) completed prior to the date the individual's teaching duties began; and
 - (2) Appropriate fee (payable by the school district).
- (c) The school district will maintain the following items in the teacher's personnel file:
- (1) A copy of the application for nonrenewable permit (form TCER-030); and
 - (2) Texas teacher certificate with an effective date prior to May 1, 1986, and/or official transcripts verifying completion of all course and degree requirements for certification.
- (d) The Division of Teacher Certification will notify the employing school district of the individual's eligibility/ineligibility for the permit by returning one copy of the application for nonrenewable permit (form TCER-030) within 30 days of receipt.
- (e) The Texas Education Agency will use as the effective date of the nonrenewable permit the date the application is signed by the superintendent or authorized representative.
- (f) No renewal of this permit is available and continued employment is contingent on successful performance on the appropriate examination(s) prior to the expiration of the permit.

NOTE: A nonrenewable permit may not be activated for a teacher in the same assignment area for which another permit had previously been activated.

9. Noncertified Instructor's Permit

The public schools of Texas are responsible for imparting skills in mathematics, science, computer science, and related technological subjects to students, but are increasingly unable to meet this obligation successfully because of a decline in the number of qualified and certified persons seeking to teach these subjects. Therefore, the board of trustees of a school district may develop and implement a program for employing qualified but noncertified persons to teach mathematics, science, computer science, and related technological subjects in the secondary schools of the district.

(a) Requirements and Limitations on Employment of Noncertified Instructors.

- (1) An individual may be employed on a noncertified instructor's permit to teach only mathematics, science, computer science, or related technological subjects in secondary assignments.
- (2) Employment of an individual on a noncertified instructor's permit shall not result in the displacement of any certified person qualified to teach such courses.
- (3) A school district may not employ a noncertified instructor beyond the end of a semester to teach any course for which a qualified and certified teacher is available and has a current application for employment on file with the district.
- (4) An individual employed on a noncertified instructor's permit may not teach more than three classes per day during any semester.
- (5) An individual employed on a noncertified instructor's permit must hold a bachelor's degree from an accredited institution of higher learning with a concentration in the subject area to be taught.

(b) Application for Noncertified Instructor's Permit.

- (1) The district must submit for approval by the commissioner of education a comprehensive plan that includes:
 - (A) a statement of the needs, goals, and priorities of the school district for expanding secondary instruction in mathematics, science, computer science, and related technological subjects;
 - (B) a description of the methods by which the school district will select, supervise, and evaluate noncertified instructors;
 - (C) a description of the specific subjects and activities to be taught in the district by noncertified instructors;
 - (D) a description of the district's compensation plan for noncertified instructors;
 - (E) a description of the use the district intends to make of the resources of the business community and other educational and governmental institutions; and
 - (F) a description of the district's in-service training program for noncertified instructors to improve their knowledge of appropriate instructional methods.
- (2) The district shall receive written notification of approval or disapproval of the comprehensive plan by the commissioner of education.

Section XVIII

**Requirements for
Paraprofessional
Certificates**

Requirements for Paraprofessional Certificates

Each person employed in the public schools of this state who is assigned to a position as an educational aide or educational secretary must be certified according to the certification requirements or standards for each position as established by rule adopted by the State Board of Education.

1. Procedures in General

- (a) There are two classifications of paraprofessionals employed in Texas public schools: educational aides and educational secretaries. Within each classification there are three levels.
- (b) School district administrators have the authority and responsibility to determine the number of paraprofessionals and level of job performance desired for the operation of the school district's program. They are also responsible for preparing accurate job descriptions for each assignment, classifying each assignment, and filling these assignments with qualified personnel in accordance with the role descriptions which appear in item (6).
- (c) Individuals employed as educational aides or educational secretaries by a school district for the 1979-80 school year are safeguarded. Certificates will be issued for the level of assignment the individual held in 1979-80.

Section XIX

**Reprimand, Suspension,
Cancellation, and
Reinstatement of
Certificates**

Reprimand, Suspension, Cancellation, and Reinstatement of Certificates¹

1. General Provisions

- (a) Any teacher's certificate issued under the provisions of this code or under any previous statute relating to the certification of teachers may be suspended or cancelled by the state commissioner of education under any one or more of the following circumstances:
- (1) on satisfactory evidence that the holder is conducting school or teaching activities in violation of the laws of this state;
 - (2) on satisfactory evidence that the holder is a person unworthy to instruct the youth of this state; or
 - (3) on complaint made by the board of trustees that the holder of a certificate, after entering into a written contract with the board of trustees of the district, has without good cause and without the consent of the trustees abandoned the contract.
- (b) Before any certificate shall be suspended or cancelled the holder shall be notified and shall have an opportunity to be heard. Any person whose certificate is suspended or cancelled by the state commissioner of education may appeal to a district court in Travis County.
- (c) The state commissioner of education has the authority, upon the presentation of satisfactory evidence, to reinstate any teacher's certificate suspended or cancelled under the provisions of this section. On a refusal of the commissioner to reinstate a certificate, the applicant may appeal to a district court in Travis County.
- (d) The state commissioner of education may suspend a teacher's certificate under the terms of this section for a period not to exceed one year.
- (e) The state commissioner of education shall have the right to reprimand a teacher, rather than to suspend or cancel that teacher's certificate, in those cases the commissioner deems appropriate. A reprimand shall not be appealable.

2. Unprofessional Practice

A violation of any rule or provision of the Code of Ethics and Standard Practices adopted in conformity with this subchapter shall be deemed to be "unprofessional practice" which shall constitute grounds for suspension or revocation of the teaching certificate of the member, which grounds shall be additional to those specified in Section 13.046 of this code; or the member may be warned or reprimanded for such violation, if in the judgment of the commissioner of education, the violation is not of sufficient gravity to require suspension or revocation of the teaching certificate. (Section 13.211, Texas Education Code)

3. Dismissal of Complaint and Appeal Procedure

In cases in which the Teacher's Professional Practices Commission, or the panel thereof hearing the matter, recommends suspension or revocation of the certificate of any member, the commissioner of education may accept the recommendation and dismiss the complaint, reject the recommendation and impose an appropriate sanction, or set the matter for hearing to receive additional evidence. Final decisions may be appealed to a district court in Travis County [Section 13.214(b), Texas Education Code].

¹Texas Education Agency, *Texas Public School Law Bulletin*, Bulletin AD 0-013-01, Section 13,046.

4. Procedure for Suspension or Cancellation of a Teacher Certificate

- (a) The holder of a certificate shall be notified prior to the suspension or cancellation of his or her certificate and shall have an opportunity to be heard by the commissioner of education. If the certificate is suspended or cancelled, the holder may appeal to a district court in Travis County.
- (b) In these rules, the term "revocation" means the same thing as the term "cancellation."
- (c) Cancellation of a teacher's certification shall be permanent, except as provided in (e) below. Suspension of a teacher certificate shall be for a specified time, not to exceed one year.
- (d) The commissioner of education shall have the authority to reprimand a teacher, rather than suspend or cancel a teacher's certificate, in those cases the commissioner deems appropriate. A reprimand shall not be appealable.
- (e) The commissioner of education shall have the authority to reinstate a cancelled teacher certificate upon the presentation of satisfactory evidence that all circumstances leading to cancellation have passed. If the commissioner of education refuses to reinstate a certificate, the applicant may appeal to a district court in Travis County.
- (f) When an order of suspension or cancellation is issued, it shall be transmitted to the holder of the certificate, and in the case of suspensions, to his or her employing school district.
- (g) Thirty days from the date of the commissioner's order, or at such time as all appeal processes have been exhausted by the holder, the commissioner of education shall provide notice of the suspension or cancellation to the director of the Division of Teacher Certification and the director of the Teacher's Professional Practices Commission.
- (h) The director of the Division of Hearings and Appeals, by certified mail, shall demand that the holder surrender any and all copies of all teaching certificates issued by the State of Texas.
- (i) A record of the action by the commissioner shall become a part of the individual's official certification records maintained by the Texas Education Agency.
- (j) The Texas Education Agency shall provide notification of the suspension or cancellation to all superintendents of all school districts in the State of Texas and to certification officers in each state or territory of the United States.
- (k) The director of the Division of Teacher Certification shall transmit the certificate identification number to Management Information Systems for audit of personnel rosters of all public schools in the State of Texas.
- (l) Management Information Systems shall notify the director of the Division of State Funding and the director of the Division of Accreditation of any teacher presently employed in a Texas public school whose certificate has been suspended or cancelled. The Texas Education Agency shall notify the superintendent of the employing school district that it stands in violation of an accreditation standard.

5. Procedure for Reprimand

- (a) The commissioner of education shall order that the holder of a teacher certificate be reprimanded and cause the order of reprimand to be transmitted to the holder and the employing school district.

- (b) The commissioner of education shall provide notice of the reprimand to the director of the Division of Teacher Certification and the director of the Teacher's Professional Practices Commission of Texas.
- (c) The director of the Division of Hearings and Appeals shall order that both copies of the reprimanded holder's teacher certificate be returned to the Division of Teacher Certification and the statement, "Reprimanded by the commissioner of education on (date), Docket No. _____TTC_____, " will be imprinted immediately following the last certification printed on the certificate. Both copies of the teacher certificate will be returned to the holder.
- (d) Record of the action by the commissioner of education shall become a part of the individual's official certification record.

6. Procedure for Reissuance of a Suspended Teacher Certificate

- (a) At the end of the suspension period designated by the commissioner of education, the teacher whose certificate has been suspended may request that the commissioner of education reissue the certificate. Reissuance may be accomplished by submission of an application for certificate (form TCER-009) and the applicable fee for a duplicate certificate to the Division of Teacher Certification.
- (b) The reissued certificate shall reflect the break in certification and the effective date of the certificate will be the day following the end of the suspension period. Following the listing of all reissued certificates, the statement, "Certificate suspended from (date) to (date), Docket No. _____TTC_____, " will be printed on the face of the certificate.
- (c) Record of reissuance of the certificate shall become a part of the individual's official certification records.

7. Procedure for Reinstatement of a Cancelled Teacher Certificate

- (a) The teacher whose certificate has been cancelled shall make a written request for reinstatement and present evidence to the commissioner of education that the circumstances resulting in the cancellation have been removed.
- (b) The commissioner of education shall review the evidence presented and notify the teacher in writing whether or not the certificate may be reinstated.
- (c) The director of the Division of Teacher Certification shall reissue the certificate upon instruction from the commissioner of education.
- (d) Should the decision of the commissioner of education be not to reinstate the certificate, the teacher may appeal the decision to the State Board of Education and then to a district court in Travis County.

8. Reissuance of Corrected Certificates

Upon satisfactory evidence that a teaching certificate was issued incorrectly in that the holder did not fulfill all requirements for the certificate issued, the Division of Teacher Certification shall direct that the certificate be returned to the division. When appropriate, based on the credentials of the applicant, a corrected certificate will be issued.

9. Teaching Certificates for Persons with a Criminal Background

- (a) A licensing authority may suspend or revoke an existing valid license, disqualify a person from receiving a license, or deny to a person the opportunity to be examined for a license because of a person's conviction of a felony or misdemeanor if the crime directly relates to the duties and responsibilities of the licensed occupation.²
- (b) In accordance with Article 6252-13c, Texas Civil Statutes, the commissioner of education may suspend or revoke a teaching certificate, or refuse to issue a teaching certificate for a person who has been convicted of a felony or misdemeanor for a crime which directly relates to the duties and responsibilities of the teaching profession.
- (c) Before a certificate may be denied under the provisions of this section, the commissioner of education shall notify the applicant in writing of the intent to deny the certificate with reasons for the denial and the applicant shall have an opportunity to be heard. The commissioner's denial of a certificate may be appealed to a district court in Travis County.
- (d) Suspension and cancellation of a teaching certificate under this section shall be in accordance with the portion of this section relating to Reprimand, Suspension, Cancellation, and Reinstatement of Certificates.

Glossary of Terms

Glossary of Terms

Academic Foundations—courses in arts and sciences involving the first two years of college work.

Accredited Institution—institutions of higher learning which have been accredited or otherwise approved by a state department of education, recognized governmental organization, or a regional accreditation organization. Out-of-state institutions which offer teacher education programs or courses in Texas must be accredited by the Southern Association of Colleges and Schools before such work may be accepted for salary increment or certification purposes.

Advanced Level Course Work—course work completed at the junior level or above in an accredited institution of higher education.

Alternative Certification—a local education agency program or a cooperative program between local education agencies and participating colleges and universities approved by the State Board of Education to provide for the certification of persons who are college graduates but not of teacher education programs. It is not to be used for retraining or additional certification for persons who have completed a teacher education program.

Approved Programs—college programs offered by institutions of higher education which are approved by the State Board of Education and accredited by the Southern Association of Colleges and Schools.

Areas of Specialization—academic subjects taught in the elementary curriculum needed for elementary certification.

Basic Skills Test—a test of reading, writing, and mathematics, required as a criterion for admission into a teacher education program.

Certificate—a document authorizing the holder thereof to contract to teach or to be employed in the public schools of the state.

1. *Provisional (Life) Certificate*—a document issued to an applicant who has acquired a bachelor's degree and who is otherwise eligible to teach in the public schools of Texas. The exceptions are the non-degree vocational certificates issued on the basis of work experience and the non-degree school nurse certificate.
2. *Professional (Life) Certificate*—a document issued to each applicant who has acquired a bachelor's degree, who has completed at least 30 additional graduate level hours in an approved program of graduate teacher education, and who has at least three years of acceptable teaching experience.
3. *Paraprofessional (Life) Certificate*—a document issued to an applicant who has met specified requirements and has been recommended by the employing school district as an educational aide or secretary.
4. *One-Year Certificate*—a document issued to an applicant who holds a standard teaching certificate issued by another state department of education and who has met specified requirements except for successful performance on the appropriate ExCET test(s).
5. *Temporary Certificate*—a document issued for a specified period of time to applicants who have not met full requirements for certification (i.e., alien applicants, administrators, and individuals who completed college work before 1955).

CVAE—Coordinated Vocational Academic Education; vocational program for disadvantaged students.

Deficiency Plan—(1) The plan completed by a Texas college or university (on form TCER-003) listing the deficiencies which an individual must complete in order to be recommended for certification; or (2) The plan completed by the Division of Teacher Certification listing deficiencies for the target certificate.

Delivery System—a 24 semester hour concentration of course work designed to prepare the individual to provide instruction to students with identified special needs.

Emergency Teaching Permit (ETP)—a document activated by the employing superintendent for the services of an individual who is not certified in the assigned area. The employing superintendent may activate an emergency teaching permit if he is unable to secure a fully certified (“qualified”) person to fill a vacant position.

Endorsements—areas of concentration added to an existing certificate (Example: kindergarten, driver education, bilingual education, etc.).

ExCET—Examination for the Certification of Educators in Texas; a comprehensive examination required of all persons seeking Texas certification after February 1, 1986 (May 1, 1986, for Texas college graduates). Persons who must take the ExCET are those who (1) complete a state-approved teacher education program, (2) complete an alternative certification program through a Texas public school district, (3) seek additional Texas certification, or (4) seek Texas certification based on certification from another state. The two testing areas of the ExCET are:

- (a) a professional development test at the appropriate level (elementary, secondary, or all-level). This test is not required of persons seeking alternative certification or of teachers possessing currently valid Texas teacher certificates seeking to add additional area(s) of certification.
- (b) a content specialization test in each area for which certification is sought.

Fees—the amount of money (money order, school district check, or cashier’s check) to accompany an application for a certificate or permit; must be submitted in order for teaching credential to be issued; the amount of the fees is recommended by the commissioner of education and approved by the State Board of Education.

| | |
|--|---------|
| 1. Review of credentials by the Texas Education Agency (non-refundable and not applicable toward issuance fee) | \$40.00 |
| 2. Issuance of initial certificates based on out-of-state credentials | \$20.00 |
| 3. Issuance of Provisional Certificate, added specialization, teaching field, or endorsement/delivery system based on college recommendation, school district recommendation or Texas Education Agency authorization; name change, duplicate, extension, or conversion | \$20.00 |
| 4. Issuance of Professional Certificate | \$30.00 |
| 5. All permits processed by the Division of Teacher Certification | \$40.00 |
| 6. Paraprofessional Certificate | \$15.00 |

No fee is required for renewal of emergency teaching or special assignment permit for the same target certificate level or for any temporary classroom assignment permit (TCAP).

Mid-Management Positions—the administrative positions other than that of superintendent.

Multicultural Component—a study of the composite socio-ethnic components of the population in Texas; an objective is to promote awareness of the confluence of cultures as well as a knowledge and understanding of the multicultural society of Texas. Such studies are usually provided by the department(s) of education, sociology, anthropology, or psychology.

Nonrenewable Permit (NRP)—a document that must be submitted to the Division of Teacher Certification to request approval for employment of teachers in the following categories: (1) any person completing all degree and course requirements for certification except for successful performance on the appropriate ExCET test(s) or the basic skills test; and (2) any person not employed in 1985-86 or subsequent years in Texas public schools who holds a Texas certificate and has not performed successfully on the TECAT.

The persons should be employed only if certified and qualified persons are not available. Applications for nonrenewable permits should be submitted to the Division of Teacher Certification within 30 days of the beginning of the person's teaching duties.

Old Law—provisions for individuals who completed their certification or whose work was in progress prior to September 1, 1955.

PPST—Pre-Professional Skills Test; a test which assesses the reading, writing, and mathematics skills of students, required as a condition of admission into an approved teacher education program in Texas. Beginning in spring 1989, the Texas Academic Skills Program (TASP) Test replaces the PPST for teacher education and certification purposes.

Prior Service Certification—provisions for individuals who can be certified to teach by the fact that they were teaching in an area when certification requirements were established or upgraded.

Reciprocity—The commissioner of education will issue a Texas certificate to and upon request of persons holding standard teaching certificates from other states. A standard certificate shall be interpreted to be full certification issued by another state department of education for which no academic deficiencies are indicated. Specified renewal requirements shall not be interpreted to be academic deficiencies.

The certificate may be invalid solely because it has expired but may not be: temporary or substandard; issued by a city or a school district; or documents such as approval letters or entitlement cards from a teacher training institution, city, or school district. Those persons whose teacher education program was completed in a state which does not issue a certificate until the individual is under contract must submit a letter from that state's department of education verifying the completion of all degree and standard certification requirements. All applicants must pass the appropriate ExCET within 12 months of the issuance of the one-year certificate.

Resource Area—courses designed to provide background in specialization areas for the professional certificate or in courses chosen to extend the applicant's preparation in a subject matter field other than the specialization.

Special Assignment Permit (SAP)—a document activated by the employing school superintendent for an individual who holds a valid Texas teacher certificate but needs additional preparation for the special or professional service area of assignment. This permit is not available for administrative assignments.

State Board of Education Policy—rules and regulations prescribed by the State Board of Education for certification of Texas public school personnel.

TASP Test—Texas Academic Skills Program Test; a test which assesses the reading, writing, and mathematics skills of students. Beginning in spring 1989, the TASP test replaces the Pre-Professional Skills Test for teacher education and certification purposes.

Teacher—a superintendent, principal, supervisor, classroom teacher, counselor, or other professional employee who is required to hold a valid teacher certificate or permit.

Teaching Experience:

1. *Classroom teaching experience*—the professional experience of an individual as a classroom teacher in grades K-12 in an accredited/approved public or private school.
2. *Professional teaching experience*—the experience of an individual as a teacher (including ROTC instruction after August 31, 1975), counselor, supervisor, librarian, principal, superintendent, or other professional position in an accredited/approved public or private school, accredited college or university, the Texas Education Agency, and education service centers.

TECAT—Texas Examination of Current Administrators and Teachers; a reading and writing test that must be successfully completed by all persons certified in Texas prior to February 1, 1986, and by all persons seeking a vocational certificate based on experience and preparation in skill areas.

Temporary Administrator Certificate—a five-year certificate issued upon the recommendation of a college or university allowing an individual to serve as a superintendent, assistant superintendent, principal, or assistant principal while completing certification requirements.

Temporary Classroom Assignment Permit (TCAP)—a permit activated by the local school district for a certified high school teacher to teach a maximum of two subject areas outside the teaching fields, if the transcripts show 12 semester hours in the area of the assignment; or for the certified high school teacher to teach one class in a subject outside the teaching field, if the transcripts show less than 12 semester hours in the area of assignment.

VEH—Vocational Education for the Handicapped; vocational program for handicapped students.

College/University Recommendation for Certification

The "College/University Recommendation for Certification" [forms TCER-008(R) or TCER-008(R84)], reproduced on the following pages, are the instruments used by Texas colleges and universities to recommend individuals for teacher certification. Form TCER-008(R) is the form used to recommend individuals who have completed teacher education programs under standards in effect prior to the 1984 and 1987 editions of the *State Board of Education Rules for Teacher Education*. Form TCER-008(R84) is the form used to recommend individuals who have completed teacher preparation under programs approved under the 1984 or 1987 editions of the *State Board of Education Rules for Teacher Education*.

The issuance date of the certificate recommended will be the date credits were completed as represented in item 5 on each form, provided the application and recommendation are received by the Division of Teacher Certification within 60 days of that date.

The "College/University Recommendation for Certification" [forms TCER-008(R) or TCER-008(R84)] are presently being revised.

Application Form

The "Application" form (TCER-009), reproduced on the following pages, is the form used by individuals to request issuance of a certificate, review of out-of-state credentials, or evaluation of eligibility for a certain certification. An application form must be properly completed, signed, and on file with the Division of Teacher Certification before any action can be taken to issue a certificate or comply with the request made by the individual.

The "Application" form (TCER-009) is presently being revised.

Statement of Commitment

The "Statement of Commitment" form (TCER-010) and cover letter, reproduced on the following pages, are incorporated into a packet given to individuals who hold out-of-state teaching credentials and who have applied for Texas certification. The letter explains the One-Year Certificate available for out-of-state certified teachers, the requirements for conversion of the One-Year Certificate to full certification, and the obligation to complete the appropriate examination requirement(s) within the validity of the certificate.

The "Statement of Commitment" form is a legal document committing the individual to a plan of action necessary for completion of full certification requirements during the validity of the One-Year Certificate.

AUSTIN, TEXAS 78701-1494

(512) 463-9734

TO: The Person Addressed

FROM: Division of Teacher Certification

SUBJECT: One-Year Certificate

State Board of Education rules provide for the issuance of a One-Year Certificate to an individual who possesses a standard out-of-state teacher certificate. The One-Year Certificate can be issued only at the level(s) and in the area(s) listed on the out-of-state certificate provided the level(s) and area(s) are certifiable in Texas. Before formal application for the One-Year Certificate is made, you should note the following regulations:

- (1) The One-Year Certificate is issued for a 12-month period and IS NOT subject to renewal, change of date, or reissuance.
- (2) As a holder of a One-Year Certificate, you MUST ACHIEVE SATISFACTORY SCORES on the appropriate Examination(s) for the Certification of Educators in Texas (ExCET) to continue certification after the One-Year Certificate has expired.
- (3) Failure to complete the testing requirement satisfactorily prior to the expiration of the One-Year Certificate will result in a lapse in certification coverage. NO FURTHER TEXAS CERTIFICATE MAY BE ISSUED UNTIL ALL APPROPRIATE EXAMINATION(S) HAVE BEEN PASSED.
- (4) Once issued, the provisions of the One-Year Certificate are in effect, WHETHER OR NOT the individual is employed by a Texas public school.

If you wish to have the One-Year Certificate issued in the area(s) for which you qualify, you should:

- (1) Complete and have notarized the Applicant's Affidavit on all three copies of the attached Statement of Commitment.
- (2) Notify the Division of Teacher Certification of the beginning date of your teaching duties in the public schools of Texas or the date you wish the One-Year Certificate to be issued.

- over -

XX-B-17

- (3) Distribute the three original copies of the attached forms as follows:
- (a) Retain one copy for your personal records.
 - (b) Return one copy to the Division of Teacher Certification.
 - (c) Submit one copy to the personnel office of your employing school district. If you are not currently employed, keep this copy, but give it to your superintendent upon employment.
- (4) Be aware that:
- (a) The One-Year Certificate as described on the evaluation prepared by this office will be mailed to the address specified on your application form.
 - (b) You must complete the specified examination requirement(s) prior to the expiration of the One-Year Certificate.
 - (c) Once the testing requirement(s) have been completed, you must submit, directly to the Division of Teacher Certification, another application, appropriate fee, and verification of satisfactory completion of the examination(s) required for continuation of the certification you desire in Texas.

INFORMATION CONCERNING THE EXAMINATIONS REQUIRED FOR CERTIFICATION

Effective February 1, 1986, the State Board of Education requires all candidates applying for teacher certification to perform satisfactorily on the appropriate Examination(s) for the Certification of Educators in Texas (ExCET). These examinations are designed to test knowledge of professional development and content specialization appropriate to the certification area(s).

The examination(s) which you must successfully complete for continued certification in Texas are identified on the evaluation form prepared by the Division of Teacher Certification when establishing your eligibility for the One-Year Certificate.

The ExCET examinations are administered periodically during the year. Registration bulletins, exact dates, test sites, and study guides may be obtained from the Texas senior colleges and universities involved in teacher education.

Examination results will be mailed to examinees approximately six weeks after the test administration. If a candidate fails an examination, it may be retaken at the next administration.

IT IS THE INDIVIDUAL'S RESPONSIBILITY TO INVESTIGATE TESTING DATES PRIOR TO COMPLETING THE STATEMENT OF COMMITMENT FORMS IN ORDER TO TAKE ADVANTAGE OF THE MAXIMUM NUMBER OF TEST ADMINISTRATIONS.

2. I understand that the One-Year Certificate will expire 12 months from the date of issuance.
3. I understand that to continue certification, I must successfully complete the appropriate Examination(s) for the Certification of Educators in Texas (ExCET) prior to the expiration of the One-Year Certificate.
4. I understand that I am not required to complete a content specialization ExCET test for an area(s) listed on the One-Year Certificate if I elect not to continue certification in that area(s) after the One-Year Certificate expires. I further understand that if the area(s) of continued certification sought in Texas is an endorsement area(s) which requires possession of a basic classroom certificate, I also must complete the ExCET test(s) for the required classroom certificate, unless the out-of-state credential upon which the one-year certificate is based did not require a basic classroom certificate.
5. I understand that, once issued, the provisions of the One-Year Certificate are in effect whether or not I am employed and that the certificate is not subject to renewal, change of date, or reissuance.

**Requirements for the
Assignment of
School Personnel**

Requirement for Assignment of Teachers

Part I

19 TAC Chapter 143, Subchapter B Assignment Requirements

§143.11 Requirements for Assignment of School Personnel.

- (a) The criteria stated in this section shall be the basis for assignment of public school personnel. An individual who does not meet the specified assignment criteria for a particular assignment may be assigned under the provisions of subsection (b) of this section.
- (1) An individual who possesses valid certification as evidenced by successful completion of the appropriate examination requirements specified in Chapter 141 of this title (relating to Teacher Certification), met the assignment requirements in effect for a subject, and was assigned to teach that subject prior to September 1, 1989 shall remain eligible to teach the subject. Exception: An individual who met the assignment requirements and was assigned to teach reading improvement, reading, or advanced reading prior to September 1, 1990 shall remain eligible to teach that subject.
 - (2) The preparation of teachers assigned to grades six through eight which are organized on a self-contained basis shall comply with the standards applicable for elementary teachers. "Self-contained" shall be defined as a class which is taught by one teacher for 50 percent or more of the school day.
 - (3) An elementary certificate may be appropriate for teaching high school age students on a high school campus, provided that the level of instruction is comparable to that which is given in the elementary grades. When such an assignment is made, course outlines must be maintained in the school district files for review.
 - (4) All professional personnel employed in federally funded programs and innovative programs must have the qualifications and meet the assignment requirements specified in subsection (c) of this section.
 - (5) The assignment requirements identified in this subchapter apply to substitute teachers. If it is necessary for a school district to employ substitute teachers who are not certified, a list of such substitute teachers shall be retained in the school district files.
- (b) When emergency conditions require, an individual may be assigned in accordance with provisions specified in Chapter 141, Subchapter N of this title (relating to Emergency Teaching Permits, Special Assignment Permits, and Temporary Classroom Assignment Permits).
- (c) All public school personnel must possess appropriate credentials for the current assignment as specified in the charts in this subsection.
- (d) The rules for credential requirements for assignment of school personnel are described in the chart in this subsection entitled "Assignment of School Personnel."

COMPLIANCE STATEMENT

TITLE VI, CIVIL RIGHTS ACT OF 1964; THE MODIFIED COURT ORDER, CIVIL ACTION 5281, FEDERAL DISTRICT COURT, EASTERN DISTRICT OF TEXAS, TYLER DIVISION

Reviews of local education agencies pertaining to compliance with Title VI Civil Rights Act of 1964 and with specific requirements of the Modified Court Order, Civil Action No. 5281, Federal District Court, Eastern District of Texas, Tyler Division are conducted periodically by staff representatives of the Texas Education Agency. These reviews cover at least the following policies and practices:

- (1) acceptance policies on student transfers from other school districts;
- (2) operation of school bus routes or runs on a non-segregated basis;
- (3) nondiscrimination in extracurricular activities and the use of school facilities;
- (4) nondiscriminatory practices in the hiring, assigning, promoting, paying, demoting, reassigning, or dismissing of faculty and staff members who work with children;
- (5) enrollment and assignment of students without discrimination on the basis of race, color, or national origin;
- (6) nondiscriminatory practices relating to the use of a student's first language; and
- (7) evidence of published procedures for hearing complaints and grievances.

In addition to conducting reviews, the Texas Education Agency staff representatives check complaints of discrimination made by a citizen or citizens residing in a school district where it is alleged discriminatory practices have occurred or are occurring.

Where a violation of Title VI of the Civil Rights Act is found, the findings are reported to the Office for Civil Rights, U.S. Department of Education.

If there is a direct violation of the Court Order in Civil Action No. 5281 that cannot be cleared through negotiation, the sanctions required by the Court Order are applied.

TITLE VII, CIVIL RIGHTS ACT OF 1964; EXECUTIVE ORDERS 11246 AND 11375; TITLE IX, 1973 EDUCATION AMENDMENTS; REHABILITATION ACT OF 1973 AS AMENDED; 1974 AMENDMENTS TO THE WAGE-HOUR LAW EXPANDING THE AGE DISCRIMINATION IN EMPLOYMENT ACT OF 1967; AND VIETNAM ERA VETERANS READJUSTMENT ASSISTANCE ACT OF 1972 AS AMENDED IN 1974.

It is the policy of the Texas Education Agency to comply fully with the nondiscrimination provisions of all federal and state laws and regulations by assuring that no person shall be excluded from consideration for recruitment, selection, appointment, training, promotion, retention, or any other personnel action, or be denied any benefits or participation in any programs or activities which it operates on the grounds of race, religion, color, national origin, sex, handicap, age, or veteran status (except where age, sex, or handicap constitute a bona fide occupational qualification necessary to proper and efficient administration). The Texas Education Agency makes positive efforts to employ and advance in employment all protected groups.
