Faculty Creative Works

The University of Texas at Arlington

Introduction

The University of Texas at Arlington Libraries is pleased to host the eighth Celebration of Faculty Creative Works, an exhibition showcasing the books, art, music, media, patents, and journal contributions made by UT Arlington faculty in 2015. The Libraries initiated the event to give special attention to the depth and breadth of scholarship and creativity produced by UTA faculty. It complements the University's vision of creating global impact through creative scholarship, transformative access, and collaborative learning. UTA Libraries are committed to sharing, preserving, and celebrating the accomplishments of our faculty. We congratulate the colleagues represented in these pages and on the Faculty Creative Works website at library.uta.edu/fcw. Their work shows the high standards of excellence for which UTA is known.
