Open Educational Resources (OER)

EXERCISE YOUR ACADEMIC FREEDOM

- ▶ OER allow you the flexibility to tailor your learning materials to accurately reflect and reinforce your curriculum while eliminating cost barriers for students and ensuring day-one readiness for learning.

- ▶ Studies have shown that student success and learning outcomes improve with the adoption of OER.

- ▶ Up-to-date, high-quality materials are available at your fingertips. Visit our website devoted to helping you quickly and easily find the best primary and supplementary materials for your classes at *libguides.uta.edu/oer*.

PUBLISH OER

- ▶ UTA Libraries provide no-cost access to Pressbooks, a web-based publishing platform, for educators interested in creating or modifying open textbooks and other OER. Contact us at *pressbooks@uta.edu* to get started today!

Have your content transitioned from other formats.

Create and edit with easy-to-use word processing tools.

Increase student engagement with interactive quizzes and more.

Learn how to legally use, revise, or remix copyrighted work.

Export to a variety of formats so students can choose what works best for them.

Make a professionally printed copy of your OER available for purchase through the UTA Bookstore.

FUNDING

- ▶ The UTA CARES Grant Program offers annual grants of up to $10,000 to support use and creation of OER for UTA courses. Learn more at *libguides.uta.edu/utacares/grants*.
